Andover High School

Building Project Education Plan

February 26, 2026

Andover Public Schools
Massachusetts

Benefits of New Classroom Furniture

- Improved design that supports student physical health and comfort
- Higher levels of student engagement, participation and creativity
- More flexibility for student collaboration
- Maximization of limited classroom space with multifunctional and mobile components
- ADA-accessible options in every classroom
- Mobile science laboratory stations as appropriate

Benefits of New Classroom Furniture

AHS Room 273

Potential AHS Room 273

Andover Public Schools
Massachusetts

Benefits of New Furniture in Special Education Classrooms

Enhanced design of classroom spaces for the various classroom components needed in substantially separate program spaces (sensory areas, independent living areas, etc.)

Andover Public Schools
Massachusetts

Benefits of New Furniture in Special Education Classrooms

Improved sensory integration in classroom furniture to better support student learning (e.g., new furniture from West Elementary)

New components that support independent living experiences (e.g., kitchen islands)

Andover Public Schools
Massachusetts

Benefits of New Cafeteria Furniture

Enhanced design that supports student comfort

Creation of a more welcoming and modern environment

Andover Public Schools
Massachusetts

Benefits of New Cafeteria Furniture

More seating options (including ADA-accessible seating options), similar to what was used at West Middle School

Improved traffic flow

Andover Public Schools
Massachusetts
