Dr. Tracolya Green, Superintendent

Dear Camden County Families:

We are excited to feed our students with the National School Breakfast, National School Lunch, and After School Snack Program. The Provision 2 Breakfast Program allows us to serve breakfast for free to all students! Eating school meals helps to provide funding for schools and can lower your grocery bill at home!

Breakfast is still free for ALL students in Camden County Schools.

The prices for lunch will be as follows: high school/ninth grade center \$2.35, middle school \$2.10, and elementary \$1.95. Adults may purchase breakfast for \$3.00 and lunch for \$5.00. For those who love to pack your student's lunch, we have a "lunch box buddy" option. Your child can get their cold milk or juice, farm fresh fruits or veggies, entrees to help complete their lunch from home.

	Elementary Lunch	Middle School Lunch	Ninth Grade Center/ High School Lunch
Day	\$1.95	\$2.10	\$2.35
Week	\$9.75	\$10.50	\$11.75
Month	\$39.00	\$42.00	\$47.00
Year	\$351.00	\$378.00	\$423.00

We need all families to complete a Free/Reduced Lunch(FRL) application on-line by scanning the QR code or visiting this link: www.MySchoolApps.com. One application counts for all children in the house. List all children. Computers will be available at Open House or you can apply at home or on your phone. Paper copies will be available at your school or the central office. If you complete an on-line form, you do not need to submit another one. Just send in a note letting the school know you completed it already.

**FREE & REDUCED LUNCH
APPLICATION**

*The cost of lunch is the responsibility of the student's family. Money can be added to your student's account by going to www.MySchoolBucks.com or send cash or check in an envelope with your child's name and student ID number clearly written on the front to the cafeteria. Unpaid student meal balances will remain on the student's record until paid by the family.

* Completing an FRL application can qualify your child for free or reduced meals and benefit the school by helping with funding for educational resources such as free technology access and more.

* If your child has any allergies, contact the school nurse and complete the Allergy Form. A copy will go to the school nutrition manager so an alert can be placed in our system at check out.

*If you have further questions, you can reach out to our department at 912-729-8340. We are excited to feed your child or children!
