You will select 8 courses and 3 alternates from the list below. You will be enrolled in block scheduling which consists of 4 classes per semester, with two semesters total. The alternate electives allow for extra courses in case of scheduling conflicts. Choose courses that will benefit your future and career goals.

Use your Course Selection and Career Planning Guide located on the CCHS Website!

Place an X on the 8 courses (5 required and 3 electives) and label the alternates A, B, and C.
HIGHLIGHT ALL COURSES once the selections are final.
