

The Norway-Vulcan Area Schools Hall of Distinction was established in 2025 with the intention of honoring the accomplishments, commitments, and contributions of individuals or teams who have made significant contributions to our schools including Vulcan and Norway, the community, or a chosen field of endeavor while also upholding high standards of character and integrity. In addition, the Hall of Distinction shall support the Norway-Vulcan Area Schools' mission statement.

The Hall of Distinction Committee is operated solely on donations and your generosity will make honoring our upcoming classes of inductees possible. The committee is actively seeking donations from alumni, community members, and businesses to help with the costs for the Hall of Distinction.

Individuals or businesses that donate a minimum of \$100 will receive recognition in our ceremonial brochure and online. Gold and Platinum level donors will also receive permanent recognition on our NVAS Hall of Distinction display located on the Sports Deck at NVAS.

- Bronze Level: \$100 minimum donation
- Silver Level: \$500 minimum donation
- Gold Level: \$1,000 minimum donation
- Platinum Level: \$5,000 minimum donation
