PROGRAM COST

The cost of the Laptop Protection Plan is an annual non-refundable fee.

Number of Students in Grades 6, 7, 8, 9, 10, 11, 12 by Family	2026-27 Annual Cost (Non-refundable)
One	$60
Two	$100
Three or more	$125

The laptop Protection Plan does not cover damage or loss due to dishonest, fraudulent, intentional, negligent, or criminal acts. This laptop Protection Plan will be null and void if we determine that a laptop has been removed from its protective case by someone other than the IT department. **The Plan will cover up to 3 claims, after which the laptop must stay at school**. If students/families do not enroll in the laptop Protection Plan, the laptop will remain at school, and they will be fully responsible for any repair and/or replacement costs, as they would be for any other damaged or lost school property. Parents will need to complete an OPT OUT OF LAPTOP PROTECTION FORM.

The Alden Central School District is providing a protection plan for students and their families as part of the One to the World Program. Enrollment in the Protection Plan is optional. If students and their families do not enroll in the protection plan, they may be held liable for the full amount in the same way they are for other damaged or lost school property.

1. **Ownership:** All district-provided laptops are the property of the Alden Central School District. Students who have purchased the district-provided Protection Plan will be permitted to take their assigned laptop home daily.

2. **Terms of Agreement:** Laptops will be distributed to students before school begins in September, and will be collected from students at the end of the school year in June. Students who are suspended or leave the district must return their assigned laptop and any school accessories on or before the date that they leave.

3. **Use of Laptop:** Educational content and resources will be delivered through the laptop, and students will often be called upon to collaborate, communicate, and create. For this to occur, students are expected to bring their laptops to school each day, in working order and fully charged. Students, with support from families, are expected to manage their laptops to minimize the likelihood of damage, loss, and theft. It is the student's responsibility to back up any personal content from the laptop before the date the laptop is collected. Usage of the laptop must be consistent with district policies and the Student Code of Conduct. Acceptable Use Policies apply to the device both in and out of school.

4. **Cost of Use:** The district will purchase the laptop, pen, protective case, bag, and all required applications. Families can purchase the Laptop Protection Plan to offset unanticipated costs resulting from damage or theft of the laptop *(see section 5)*.

5. **Protection of Laptop:** Families are strongly encouraged to purchase the Laptop Protection Plan from the district to cover repair and/or replacement costs if a laptop is damaged, destroyed, or stolen. The laptop Protection Plan will insure the laptop for the duration of the Term of this Agreement (one school year from September 1, 2026, to August 31, 2027).

MAKING A CLAIM

The Plan will cover the costs of repairing or replacing a laptop due to accidental damage or theft, after payment of the applicable deductible.

- Laptop - Accidental Damage $40 deductible.
- Laptop - Stolen or Lost $75 deductible. Police reports must be filed by the student or family if stolen.
- Accessories - $10 deductible per item

  Complete a claim by: Grades 6 - 8: see your Teacher. Grades 9-12: see the Atlas Help Desk and/or create a ticket via the Incident IQ system.

Parents will be invoiced via PowerSchool Parent Portal or mailed to them
