RAIDERS MAKE HISTORY AS DISTRICT CHAMPIONS

The Twin Valley High School football team completed a season for the record books, finishing 14–1 with an undefeated regular season and capturing the first District III Class 4A championship in school history.

The Raiders' championship victory marked a milestone for the program and reflected a season defined by discipline, teamwork, and relentless effort. Twin Valley continued its historic run into the PIAA state playoffs, advancing to the Class 4A state championship game and concluding a remarkable year as one of the top teams in Pennsylvania.

The success of the season was further highlighted by numerous individual honors. Head Coach Brett Myers was named Coach of the Year, recognizing his leadership and guidance throughout the historic campaign. Drew Engle was named Football Player of the Year and also earned Offensive Back of the Year, while Greyson Miller was recognized as both Offensive Lineman of the Year and Defensive Lineman of the Year. Lucas Myers earned Linebacker of the Year honors, reflecting the strength and balance of the Raiders on both sides of the ball.

This historic season will be remembered not only for championships and awards, but for the pride, commitment, and unity shown by the players, coaches, and the entire Twin Valley community. Congratulations, Raiders!

HOSTS ANNUAL CAREER FAIR

Last month's Career Fair was a tremendous success! As we approach the end of the calendar year, it's a meaningful time to reflect on the year ahead and the bright futures of our students. Twin Valley High School welcomed more than 100 professionals who generously volunteered their time to connect with students in impactful ways. By sharing their experiences, insights, and advice, these professionals helped students explore career pathways and envision what's possible.

Thank you to everyone who participated, and to the TVHS Guidance Department for organizing the event and continuing to support our students.

RUNAWAY SUCCESS

Over 200 TVEC students, siblings, and parents participated in the second annual TVEC Turkey Trot. Everyone had a gobbling good time and raised over $800 to fund our blender bike healthy smoothie project for 2026-27. Great work Mrs. McHugh and friends for setting up such a fun event!

FALL FEST FUN

TVEC Fall Festival brought hundreds of community members together on Saturday, November 8. Families enjoyed hayrides, decorating pumpkins, making scarecrows, a petting zoo, food trucks and many other fun activities. A large amount of canned goods were also collected and with the help of the Boy Scouts, were transported to the Twin Valley Food Pantry. Many thanks to the TVEC PIE PTO for organizing a wonderful event, all of the volunteers from various organizations, and to our sponsors who helped to make this a free event for all to enjoy!

TWIN VALLEY MIDDLE SCHOOL

COOKIE BAKE

On Friday, October 31, the 7th-grade students at Twin Valley Middle School came together for the 25th annual Cookie Bake Project, continuing a beloved school tradition of service and gratitude.

This year's students baked an incredible 7,000 homemade chocolate chip cookies, which were carefully packed into 27 care packages, along with student letters, to be delivered to Keystone Military Families who will ship them to military service members around the world.

In addition to their baking efforts, students and families raised over $1,000 to help cover shipping costs and to support Keystone Military Families in their ongoing mission to assist our nation's heroes.

The Cookie Bake Project not only filled the cafeteria with the smell of freshly baked cookies but also filled hearts with pride, teamwork, and appreciation for the men and women who serve our country. It was a powerful reminder that even small acts of kindness—like baking a cookie—can make a big difference.

REFLECTIONS FROM THE SUPERINTENDENT
MR. ROBERT SCOBORIA

As we approach the holiday season, I am filled with gratitude and appreciation for the remarkable spirit of our school community. This time of year offers a meaningful opportunity to pause, reflect, and celebrate all that we have accomplished together. From the dedication seen in our classrooms to the kindness and generosity shared throughout our schools, it has been inspiring to witness the ways our students, staff, and families support one another.

The holiday season reminds us of the importance of connection, compassion, and gratitude. Our students continue to demonstrate these values each day through their learning, creativity, and care for others. Their success is made possible by the unwavering commitment of our educators, staff, and families, who work tirelessly to ensure our schools remain welcoming, supportive, and focused on student growth.

As we look ahead to the new year, may this season bring rest, joy, and time to reconnect with what matters most. Thank you for your continued partnership and support. Wishing you and your loved ones a safe, restful, and joyful holiday season.
