WHEN ARE THE SCHEDULED MAKE-UP DAYS?

For the 2025-26 school year, the potential school make-up days are as follows (in order of priority): February 9, 16; June 9, 10, 11, etc.

Due to the recent snow days on December 2 and 23, students will now report to school on February 9 and 16, 2026. As a reminder, during forecasted weather issues, any updates from TVSD regarding school closures, delays, or after-school activities will be shared via e-mail, text message, phone call, and are also published to tvsd.org.

If there is a school make-up day, please note that the lunch calendar does not change and will follow the calendar day assigned. For example, if school is cancelled on Monday and students return on Tuesday, the food items scheduled for Tuesday will be served, unless notified otherwise directly by TVSD Food Services.
