Feeling the Love

Students and staff across the District were feeling the love throughout the months of January, February, and March.

LEO CLUB SENDS CARE PACKAGE TO U.S. SAILORS

Recently, five care packages assembled by our students were delivered to sailors aboard the USS George H.W. Bush while the ship was in the middle of the Atlantic Ocean. The packages were air-dropped during a mail delivery, bringing a meaningful surprise from home to those serving our country.

We received word that the sailors were incredibly excited to open the boxes and especially appreciated the thoughtful cards included inside. Their response is a powerful reminder that even small acts of kindness can have a tremendous impact—no matter the distance.

We commend the TVHS LEO Club for going above and beyond in service to others. Your compassion, leadership, and commitment to making a difference truly reflect the heart of our District community.

TWIN VALLEY HIGH SCHOOL
MISSION POSSIBLE

The TVHS Mission Possible Club continued their tradition of generosity by delivering Valentine's Day themed gift baskets for pediatric patients, along with a giant Twix bar for the nursing team at Reading Hospital.

TWIN VALLEY SCHOOL DISTRICT
LAUNCHES NEW WELLNESS WEBPAGE

We're excited to introduce a new Wellness section on our website, designed to support the well-being of our students and families. This resource brings together important information on topics such as mental health, bullying prevention, substance use, and ways to stay connected and engaged at school. Whether you're looking for guidance, support services, or opportunities to get involved, the Wellness section is a helpful starting point. We encourage you to explore these resources and reach out if you need additional support. Check it out at: **https://www.tvsd.org/page/wellness**

TWIN VALLEY MIDDLE SCHOOL RECEIVES HONORS FROM KEYSTONE MILITARY

On Friday, January 16, TVMS seventh-grade students were presented with a plaque by Denise Lewis, a representative of Keystone Military Families. TVMS has proudly partnered with Keystone Military Families for the past 17 years through its annual Cookie Bake Project, during which students bake chocolate chip cookies that are included in care packages sent to service members stationed away from home during the holidays. The plaque was sent from the Office of the Program Manager, Saudi Arabian National Guard Modernization Program, in recognition of the care packages received over many years.

The plaque includes a Certificate of Appreciation that reads:

"In recognition of your outstanding support in providing care packages to the Soldiers and families of the Office of the Program Manager, Saudi Arabian National Guard (OPM-SANG). Your selfless act of providing comfort items from home consistently enhanced unit morale within our organization With heartfelt gratitude and thanks, we appreciate everything you do to support our unit and the United States Army. Thank you for what you do! 'Win in Partnership'"

ROBESON ELEMENTARY CENTER GIVES BACK

Students participated in two events that focused on the importance of giving back to others. REC's first annual Souper Bowl encouraged students and their families to bring in canned goods to school. The donated food was placed on a table by the team that they wanted to win the Super Bowl. The Seattle Seahawks were the overwhelming choice and students were excited when the Seahawks did win the big game. Robeson Elementary Center donated a total of **294 cans** of food that were donated to the Honey Brook Food Pantry.

REC students were also fundraising for the Kids Heart Challenge. During PE classes, students met kids with special hearts and raised funds for the health of all hearts. On February 13th, all classes had an opportunity to get moving with fun activities, learn about keeping their hearts and brains healthy and feel great for helping others. Our school raised **$9,172** for the American Heart Association. Robeson Elementary Center is so proud of our students and their families for giving back to our community in both of these school events.

FFA VOLUNTEERS AT HERITAGE GREEN HILLS

Each month the FFA volunteers to provide Pet Therapy at the Heritage at Green Hills. They recently brought bunnies to visit residents!

HONEY BROOK ELEMENTARY CENTER

JUMPS FOR JOY

Honey Brook Elementary Center Center students participated in the Kids Heart Challenge on February 14, combining fun physical activity with an important cause. Through their efforts, students have raised $6,575 to support the American Heart Association and its work to improve heart health.

Students also took part in jump rope challenges during the event. Second graders Carey Jones and Josie Longacre earned black belts by completing 75 consecutive jumps without stopping. In third grade, students worked toward a goal of 125 consecutive jumps, while fourth graders aimed for 175 jumps. Fourth graders Caroline Ingemie and Lillian Meitzler successfully reached the 175-jump milestone, with Caroline even pushing herself to complete 200 jumps before stopping.

Honey Brook Elementary is proud of the students' enthusiasm, perseverance, and commitment to supporting heart health through this year's Kids Heart Challenge.

ROTARIAN DR. WILLIAM CLEMENTS RECEIVES DISTRICT GOVERNOR AWARD

We are excited to recognize Dr. William Clements as a recipient of a District Governor Award. Dr. Clements, Principal of Twin Valley High School, has built a strong and meaningful partnership between our club and the school community. He coordinates student volunteers for major service events like Empty Bowls and Adopt-A-Highway, fostering leadership and service among local teens.

Dr. Clements also organizes our Student of the Month program and the Rotary Speech Contest, helping showcase and support the next generation of young leaders. His ongoing support strengthens Rotary's presence throughout the Twin Valley community.

TWIN VALLEY ELEMENTARY CENTER

COLLABORATIVE LEARNING

Fourth grade students from Mrs. Lennon's class recently took on the role of teachers, guiding our kindergarteners in a fun and engaging lesson on the importance of healthy eating. Using a blender bike, they worked together to create a "Purple Pear Power" smoothie—bringing nutrition, creativity, and hands-on learning to life.

ROBESON ELEMENTARY CENTER

CONNECTS WITH ROBESON POLICE DEPARTMENT

On January 9, the students and staff at Robeson Elementary Center held their annual Law Enforcement Appreciation Parade and Breakfast. Robeson Township Police Department and the students and staff at REC enjoy celebrating them each year with a parade and making pictures and letters to give to the officers. This year, Robeson included a 4th grade essay and poster contest with the winners being able to march in the parade and enjoy breakfast with visiting officers.

Robeson Township Officers are typically seen greeting students in the morning at car drop off and saying goodbye to students as they board the buses at the end of the day. This positive presence helps our students know that they are safe at school and understand that our Robeson Police Department is a valued member of our REC team.

During the month of January, REC began a new tradition called Hero Lunch. Each month, officers arrive at school to enjoy lunch with each grade level. Seeing the officers with a school lunch tray and surrounded by smiling students shows the strong bond that has been developed between the Robeson Police Department and REC. Thank you Robeson Police Department for always being a pillar of our community!

EDUCATOR RECEIVES GRANT FOR CLASSROOM LIBRARY EXPANSION

Twin Valley Middle School educator, Mrs. Shawnmarie Gardner, was recently awarded a Keystone Teachers Association Foundation grant!

The funds will help expand her classroom library, putting even more high-interest, engaging books into the hands of students. Congratulations, Mrs. Gardner!

ANCHORED MINISTRIES

PROM BOUTIQUE RETURNS TO TWIN VALLEY

The Annual Prom Boutique recently returned to Twin Valley High School, providing juniors and seniors with access to formalwear and accessories at no cost and helping make prom a memorable experience for all.

We extend our sincere thanks to Anchored Ministries, as well as the many donors and volunteers, for their generous support in making this meaningful opportunity possible for our students.

REMINDER: The final day to purchase a prom ticket is this Friday, April 10 at 3:00 p.m.

HONEY BROOK ELEMENTARY CENTER

CREATING WITH CARE

3rd and 4th grade students at Honey Brook Elementary Center participated in the Fighting Hunger and Poverty Campaign with Giving Tree Families. Through this service-learning experience, students prepared care packages and snack bags for those in need while learning valuable lessons in empathy and generosity.

REFLECTIONS FROM THE SUPERINTENDENT
MR. ROBERT SCOBORIA

As we welcome the arrival of spring, we are reminded of the growth, energy, and renewal that this time of year brings. It is a wonderful opportunity to reflect on all that our students, staff, and families have accomplished so far and to look ahead with focus and determination.

The final months of the school year are an important time to stay engaged, support one another, and continue striving for excellence. I encourage our students to remain committed to their learning, our staff to continue inspiring and guiding with care, and our families to stay connected and supportive.

Together, let's finish the year strong and take pride in all we achieve as a school community. Wishing you all a successful and rewarding spring season.
