Health & Wellness

Hello Friends! Check it out!

Did you know that breast cancer is the most commonly diagnosed cancer among women in the United States, and although rare, breast cancer does occur in men?

Monthly breast exams remain the most important, noninvasive screening method. If you feel something different, tell your parent/guardian or doctor.

As young adults, it is important to make healthy lifestyle choices to promote growth and wellness for the coming years.

Get to know your body. It is yours and it's the only one you get! Talk to your doctor about any changes you notice and don't put it off.

Eat healthy foods and exercise. Watch portion sizes and read the labels on the foods you choose to eat. Children and teens should engage in at least 1 hour of moderate to vigorous activity daily.

Avoid tobacco and alcohol.

The pink ribbon stands as a symbol of hope. Don't forget to wear your pink during October to remember those we have lost, to honor the survivors, and to show support to those currently fighting to overcome breast cancer.

TEACHER OF THE MONTH!

Mrs. Medrano

Favorite Color: Turquoise

Favorite Meal: Biscuits and Gravy

Favorite Animal: Dogs

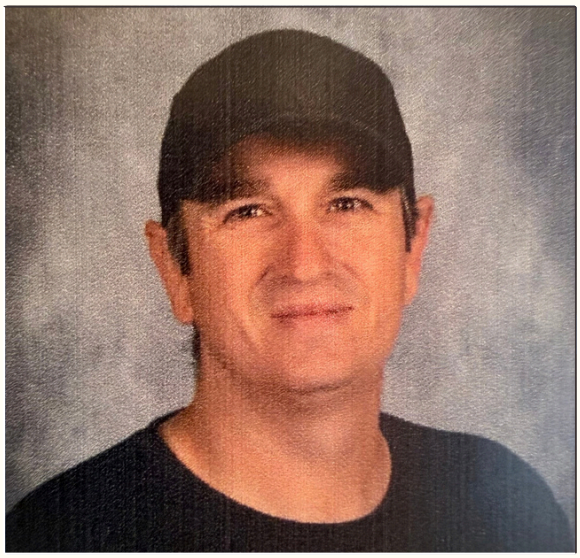

Favorite Music: I love country music.

INTERESTING FACTS

I chose to teach 2nd grade because that's the grade level I student taught, and I really enjoyed working with that age group. I love that they're starting to become more independent and taking more ownership of their learning, but they still need and want that support and encouragement from their teacher. I really enjoy being able to watch them grow and gain confidence throughout the year.

THE ARROW STAFF

Mr. Hughes, Mrs. Hill ,Zoe J. Rogers, Gabe J. White, Joanne I. Siegfried

It started with an idea...

We, the yearbook staff, have been hard at work continuing some of the traditions of the Chilhowee R-4 school. One of those traditions is putting out a publication that emphasizes positivity, students, and community. Even though we know this is a small way to outreach, we are excited to be your new staff for "The Arrow". "Bringing back a family, community, and school tradition."
