Food Of The Month

Rhubarb Pie

At first, rhubarb pie seemed very strange because it's not seen as a fruit; instead, it's seen as more of a plant, and the leaves on the actual plant are dangerous and can cause fatal reactions.

Quote of the month

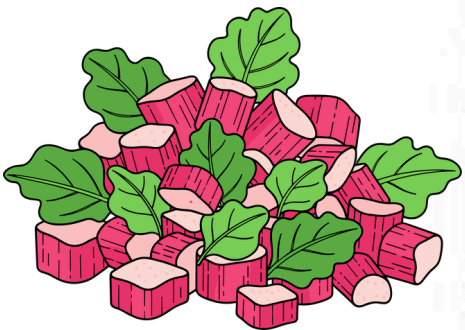

"The windows are open, admitting the September breeze: A month that smells like notebook paper and pencil shavings, autumn leaves and car oil." — Lauren Oliver

WHAT'S HAPPENING

THOUGHTS BY GABE

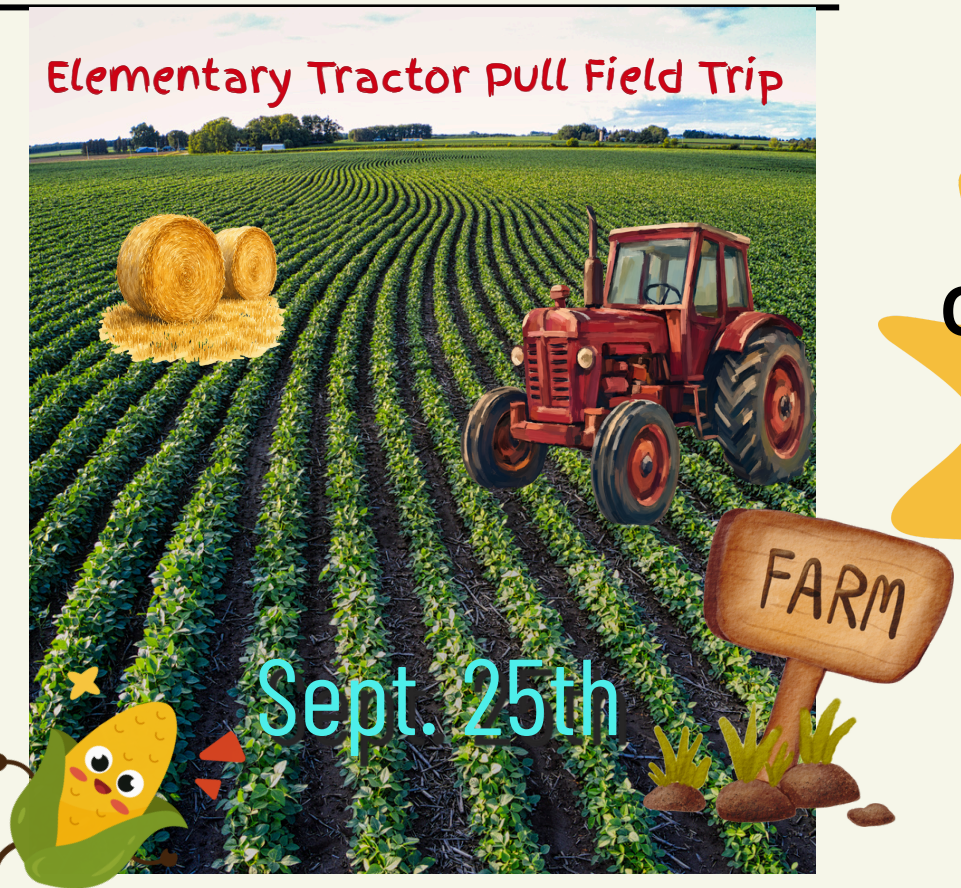

Are McDonald´s apple pies worth trying?

Are the new fried pies better than the baked ones?

Which apple pie do you like the best?

Which is better? McDonald´s French fries or Burger King French fries?

Just imagine if there were a Ronald McDonald hotel!

Advice for Students

<u>Stay on Top of Your Work</u>

Keeping up on assignments makes school way less stressful. When you turn things in on time, it's easier to stay caught up, keep your grades up, and avoid cramming later. A little effort each day goes a long way.

Get in the Know!

Check your school email often. I will email you about opportunities to participate in, scholarships, upcoming events, etc.

Also, listen to the morning announcements to stay in the know about what is coming up next.

Thoughtful

For the month of September, we are focusing on the word Thoughtful.

Thoughtful means considering other people's feelings and needs and acting in a way that shows you care.

Health & Wellness

988 | SUICIDE & CRISIS LIFELINE

Welcome back, Friends!
Each September, we take time to talk about Suicide Prevention in hopes of raising awareness of mental health and to spread hope and love to those around us. Just one conversation can save a life. Help is out there, and healing is possible. If you or a loved one are experiencing a mental health emergency or need support, contact the 988 Suicide & Crisis Lifeline by phone or chat online. What can we do to help?

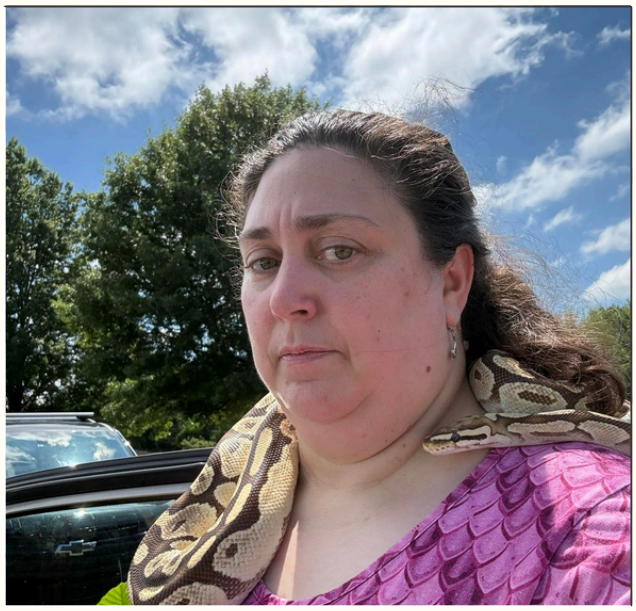

Educate yourself on warning signs and watch for changes. Look for signs such as hopelessness or withdrawal from friends and family. Share the crisis resources with those in need.
You are important. You are worthy. You are loved.

THE ARROW STAFF

It started with an idea...

We, the yearbook staff, have been hard at work continuing some of the traditions of the Chilhowee R-4 school. One of those traditions is publishing a publication that emphasizes positivity, students, and community. Even though we know this is a small way to do outreach, we are excited to be your new staff for "The Arrow". "Bringing back a family, community, and school tradition."
