Grades 3-12 Student Wellness Survey Opt-Out Form

The Student Wellness Survey is an annual survey given to students in grades 3-12. This important survey helps us understand each student's current health and well-being. Students take this survey during school. If you want to opt your child out of taking this survey, complete the following and return to your student's main office at school.

Opt-Out Form

I, _____ do not want my student,
_____ to take the Student Wellness Survey.

Date _____

Print Parent/Guardian Name _____
