Dear Parent/Guardian:

As part of our continued safety, our school dismissal plan includes providing parents with the option to allow their elementary aged child to walk or ride their bike independently from school. Students with parent permission will be given a specific tag to be worn on their backpack identifying permission at dismissal. We highly recommend all students walk with an older sibling or a friend for safety.

This Walker Release Form is to be completed for any student who leaves campus on foot or bike with or without a parent. Laurel Nokomis School has three exits for our students who leave campus on foot or bike: the Gym Side Entrance, Laurel Road Bike Rack (in front of administration), or Old Albee Farm Road entrance.

As always thank you for your continued support. Go Lightning!
