Course Progression Charts

Available in the Pine View Program of Studies on the PV Website

REMEMBER: Whether you take Honors, Advanced Placement (AP), Dual Enrollment (DE), or a combination of classes, everyone's path will look different!

Example Course Progression (Science 25-26)

SCIENCE

Recommended CORE Progressions

Biology Pathway	Chemistry Pathway	Physics Pathway
Biology 1 Honors (Gr. 9)	Biology 1 Honors (Gr. 9)	Biology 1 Honors (Gr. 9)
Chemistry 1 Honors[1] (Gr. 10)	Chemistry 1 Honors[1] (Gr. 10)	Physics 1 Honors (Gr. 10)
AP Biology (Gr. 11)	AP Chemistry (Gr. 11)	AP Physics 1[1] (Gr. 11)
Bioscience 2 Honors (Gr. 12)	Chemistry 2 Honors (Gr. 12)	AP Physics 2[2] or AP Physics C[3] (Gr. 12)

Additional Science courses may be taken concurrently, as electives.

1. *Must have completed Biology 1 and Algebra 2. Students may be enrolled concurrently in Algebra 2.*
2. *Must have completed Geometry and Algebra 2. Students may be enrolled concurrently in Algebra 2. Students must have successfully completed AP Physics 1 to be enrolled in AP Physics 2.*
3. *Must have completed or be currently enrolled in AP Calculus AB or BC. Students must have successfully completed AP Physics 1.*

Concurrent Science Course Options		AP Physics C: Electricity & Magnetism and AP Physics C: Mechanics (Gr. 11 - 12)	DE Astronomy (Gr. 9 - 12)
Students may take multiple science courses concurrently with the recommended core progressions. Courses taken in excess of the science graduation requirement will count toward student's electives.			

*Three science credits are required, including biology, and two of these courses must include a lab component.

Dual Enrollment (DE)

Earn college credits while in high school!

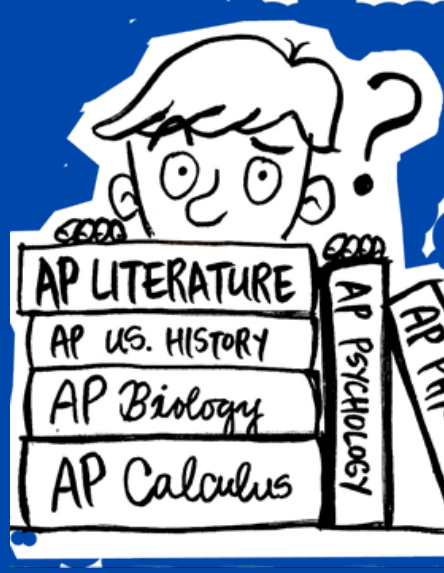

- ✓ College credit is automatically applied to high school transcript.
- ✓ No exam required for college credit.
- ✓ Courses available on PV campus and also online.
- ✓ Any grade earned in a DE class becomes part of your permanent college record.
- ✓ DE courses carry the same 1.5 grade "bump" that AP courses do.

Must PREQUALIFY and APPLY for classes:

- ✓ 3.0/3.5 unweighted GPA.
- ✓ Standardized test scores vary by college.
- ✓ Be mindful of application deadlines (typically April).
- ✓ See PV website and speak with Ms. Grissell or Mr. Regar.

Advanced Placement (AP) Classes

Dr. Lori Wiley
AP Coordinator

Refer to the AP Course Comparison Table (in the Program of Studies) and your PSAT scores to see which AP classes would be a good fit for you. See Dr. Wiley in the College & Career Center with any questions.

Scheduling for Success

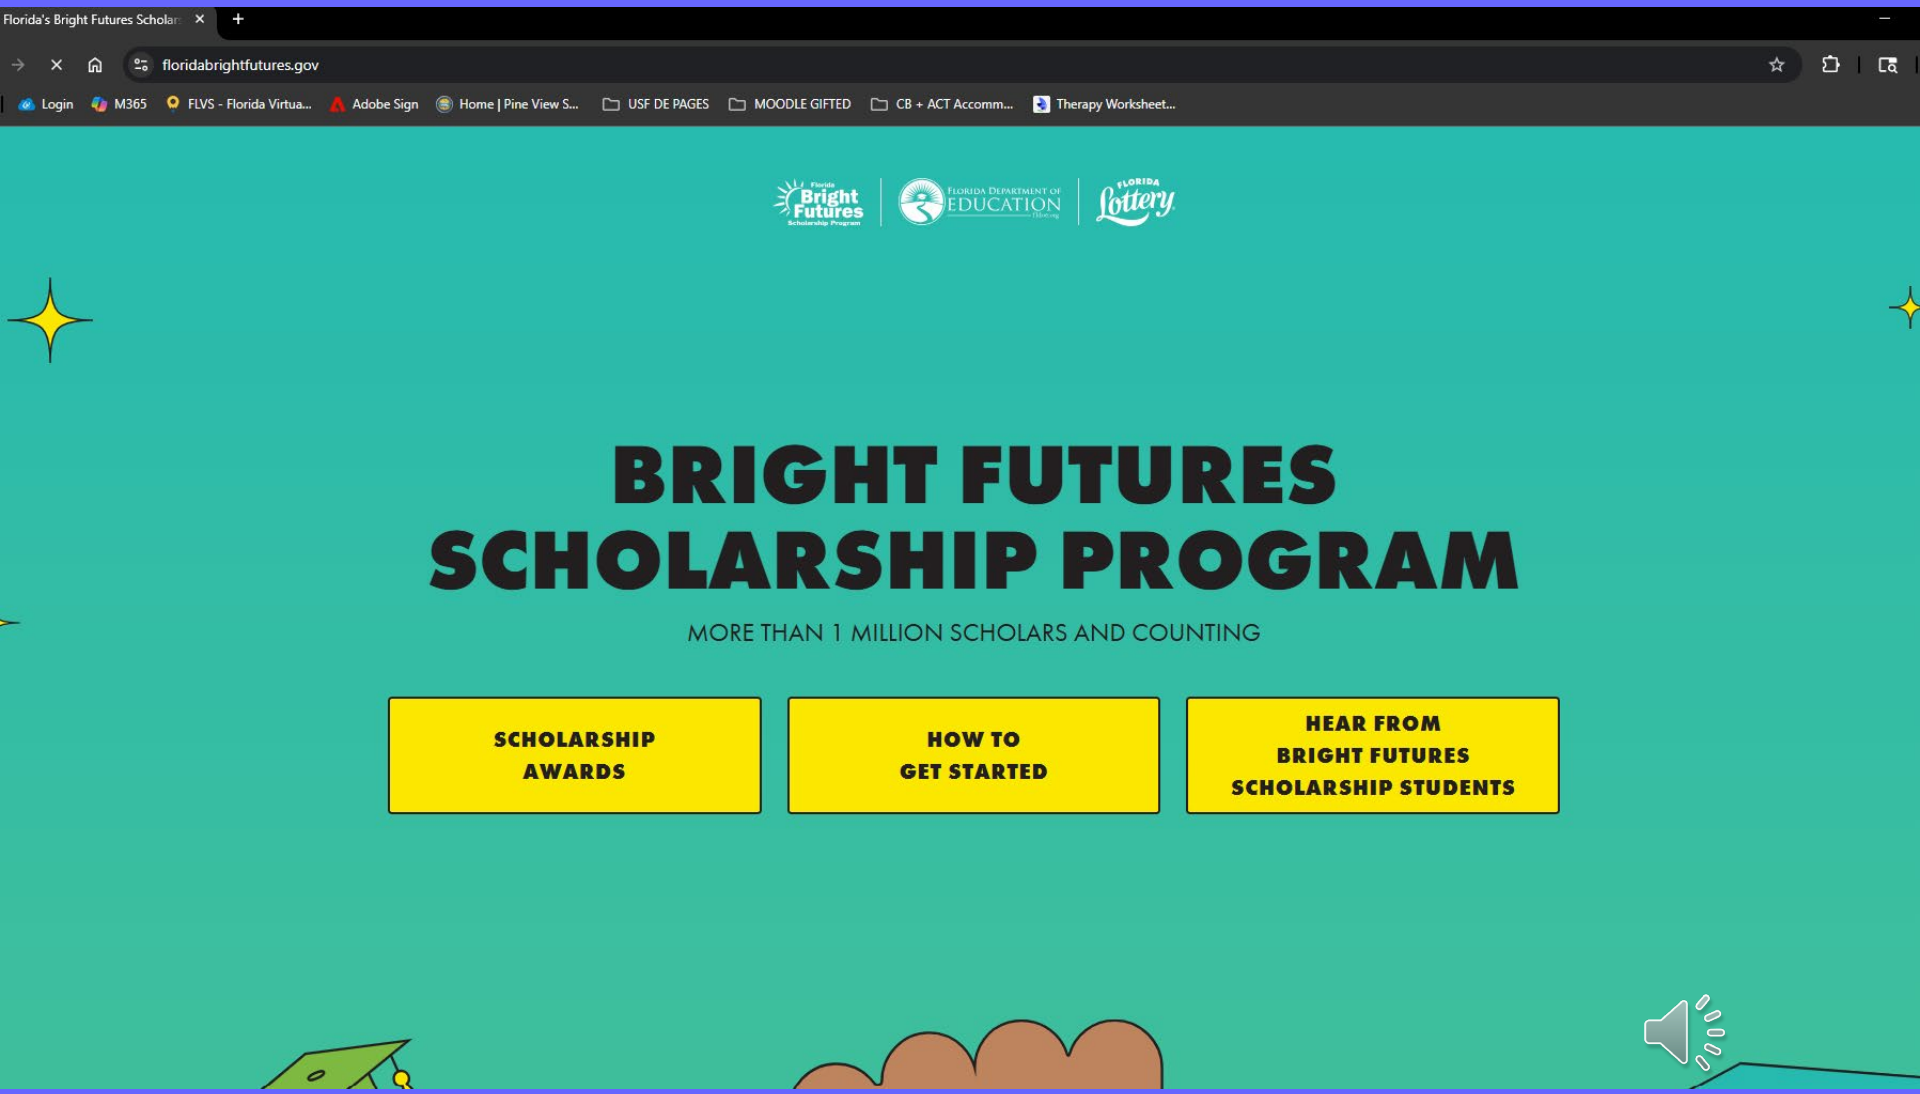

Based on college Pine View admissions data and information provided by colleges, the following are highly valued in their applicants' *academic course of study:*

- Course rigor (seeking challenge within the school context)
- Course trajectory and 'terminal' coursework (as possible)
- Grade point average
- Balance across disciplines
- Evidence of research and writing skills

SCHOOL COUNSELOR INITIALS:

Pssst…

Plan out each year's schedule carefully! Pick classes that interest you, classes that you naturally do well in, classes that might challenge you, or classes that you have no idea what they are about but seem intriguing.

High school is all about figuring out things you like and don't like, so don't be afraid to take some risks!

Next Steps for Students and Parents

- Sign up for and complete HOPE and Personal Finance & Money Management by end of Junior Year at the latest.

- Complete Course Selection Card by Wednesday, 2/11
  - *Be sure to get your parent/guardian's signature*

- Students interested in Dual Enrollment → See Ms. Grissell or Mr. Regar during 7th period in Room 111 in Building 17 between Thursday, 2/5 and Wednesday, 2/11 for critical application information.

- Save the date for class meetings…
