Did not vote in the election

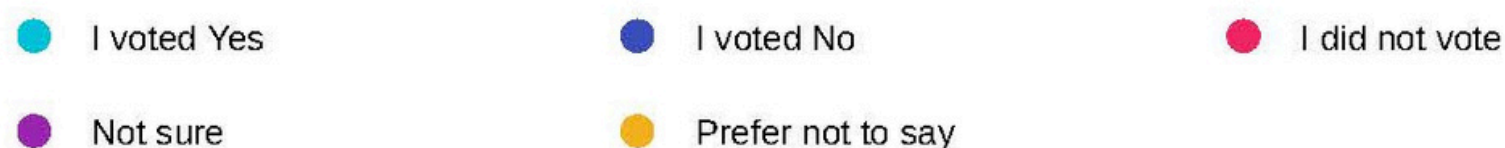

Which best describes your position in that election?

≈ **56%**

Voted no or didn't vote

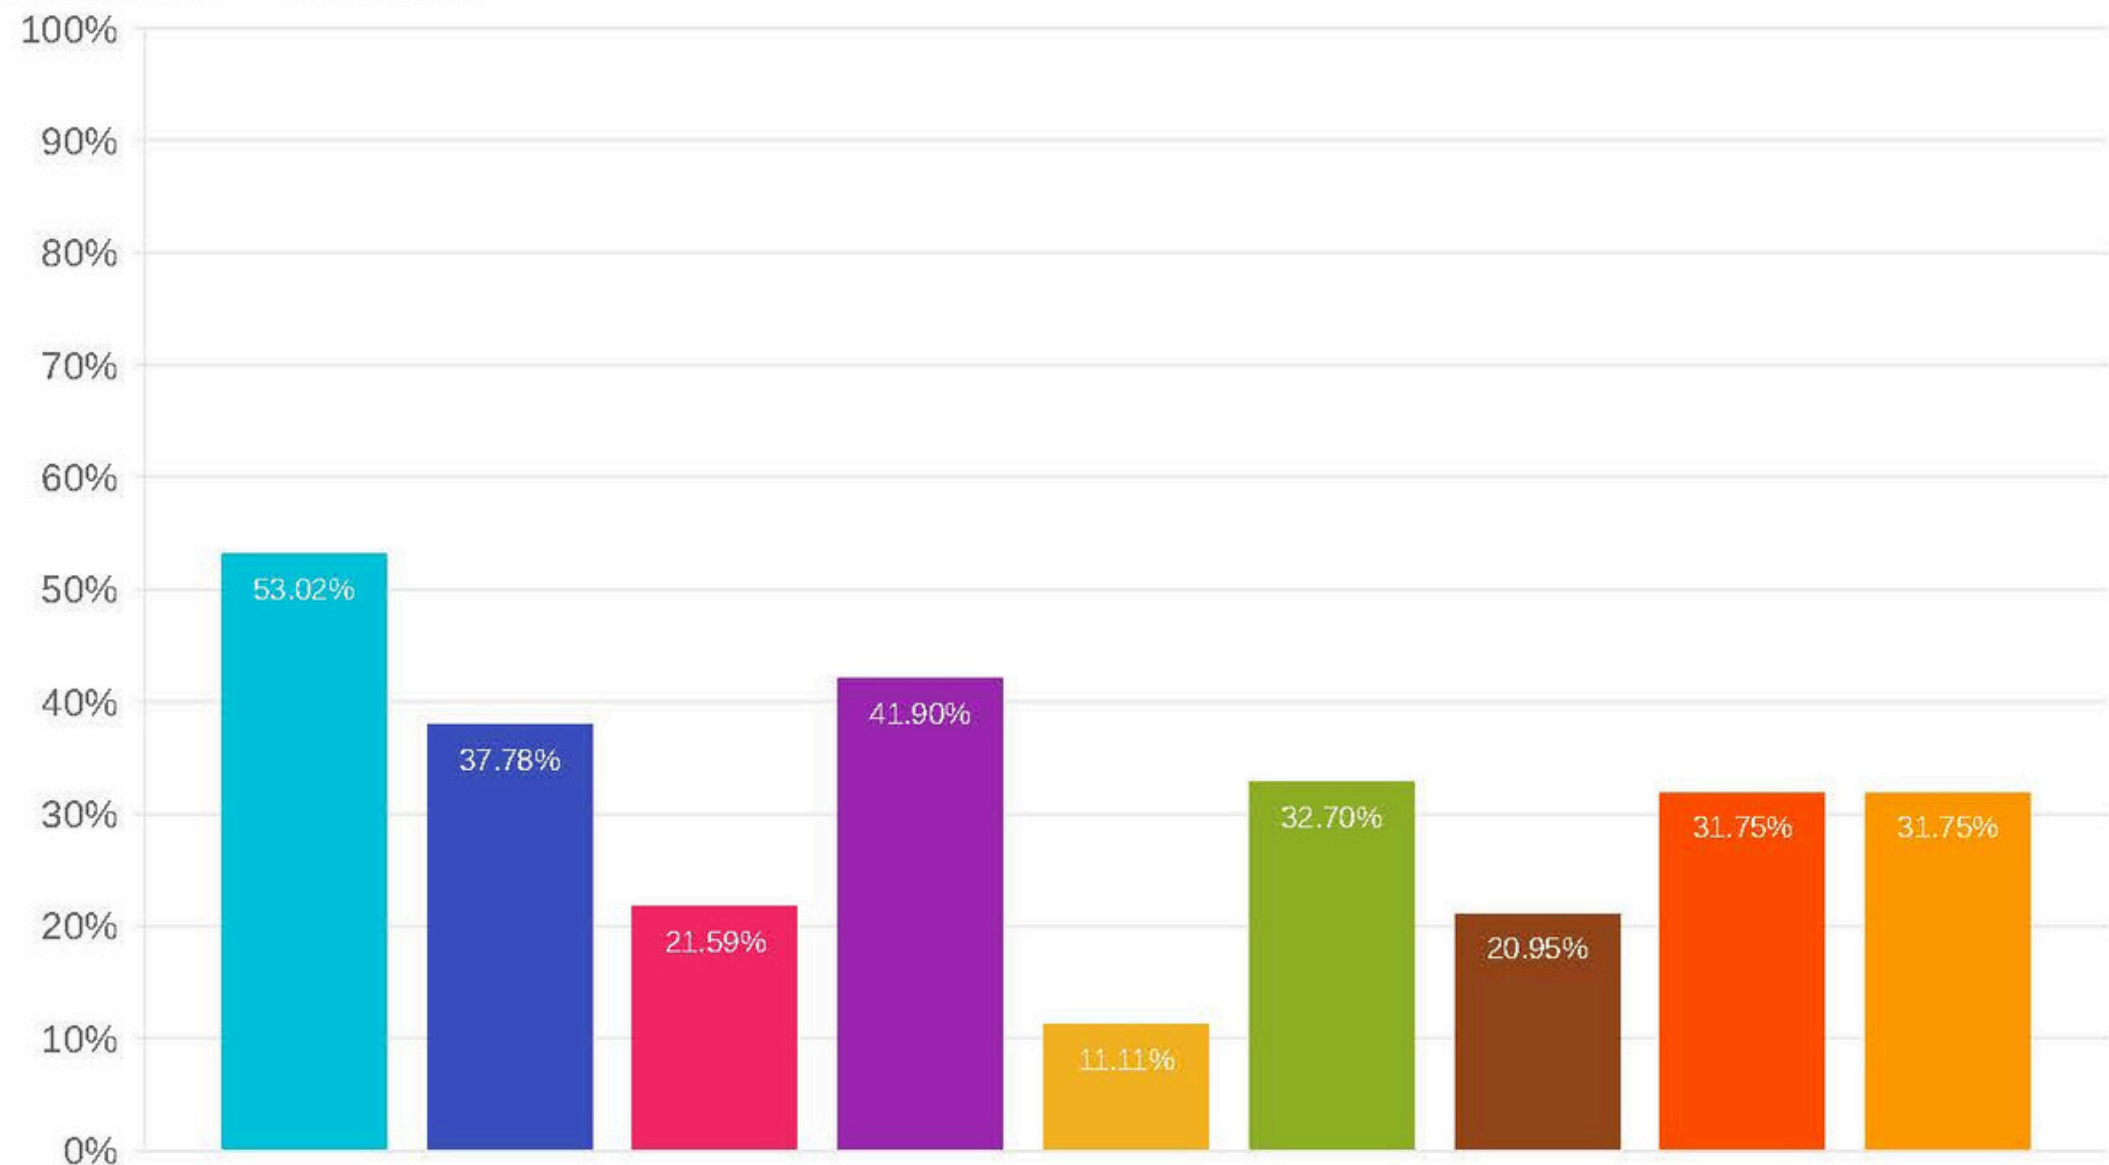

City of Rexburg | Police Department

Station Bond Survey

What were the main reasons you voted no?

For No Voters (Select up to 3):

Answered: 315 Skipped: 223

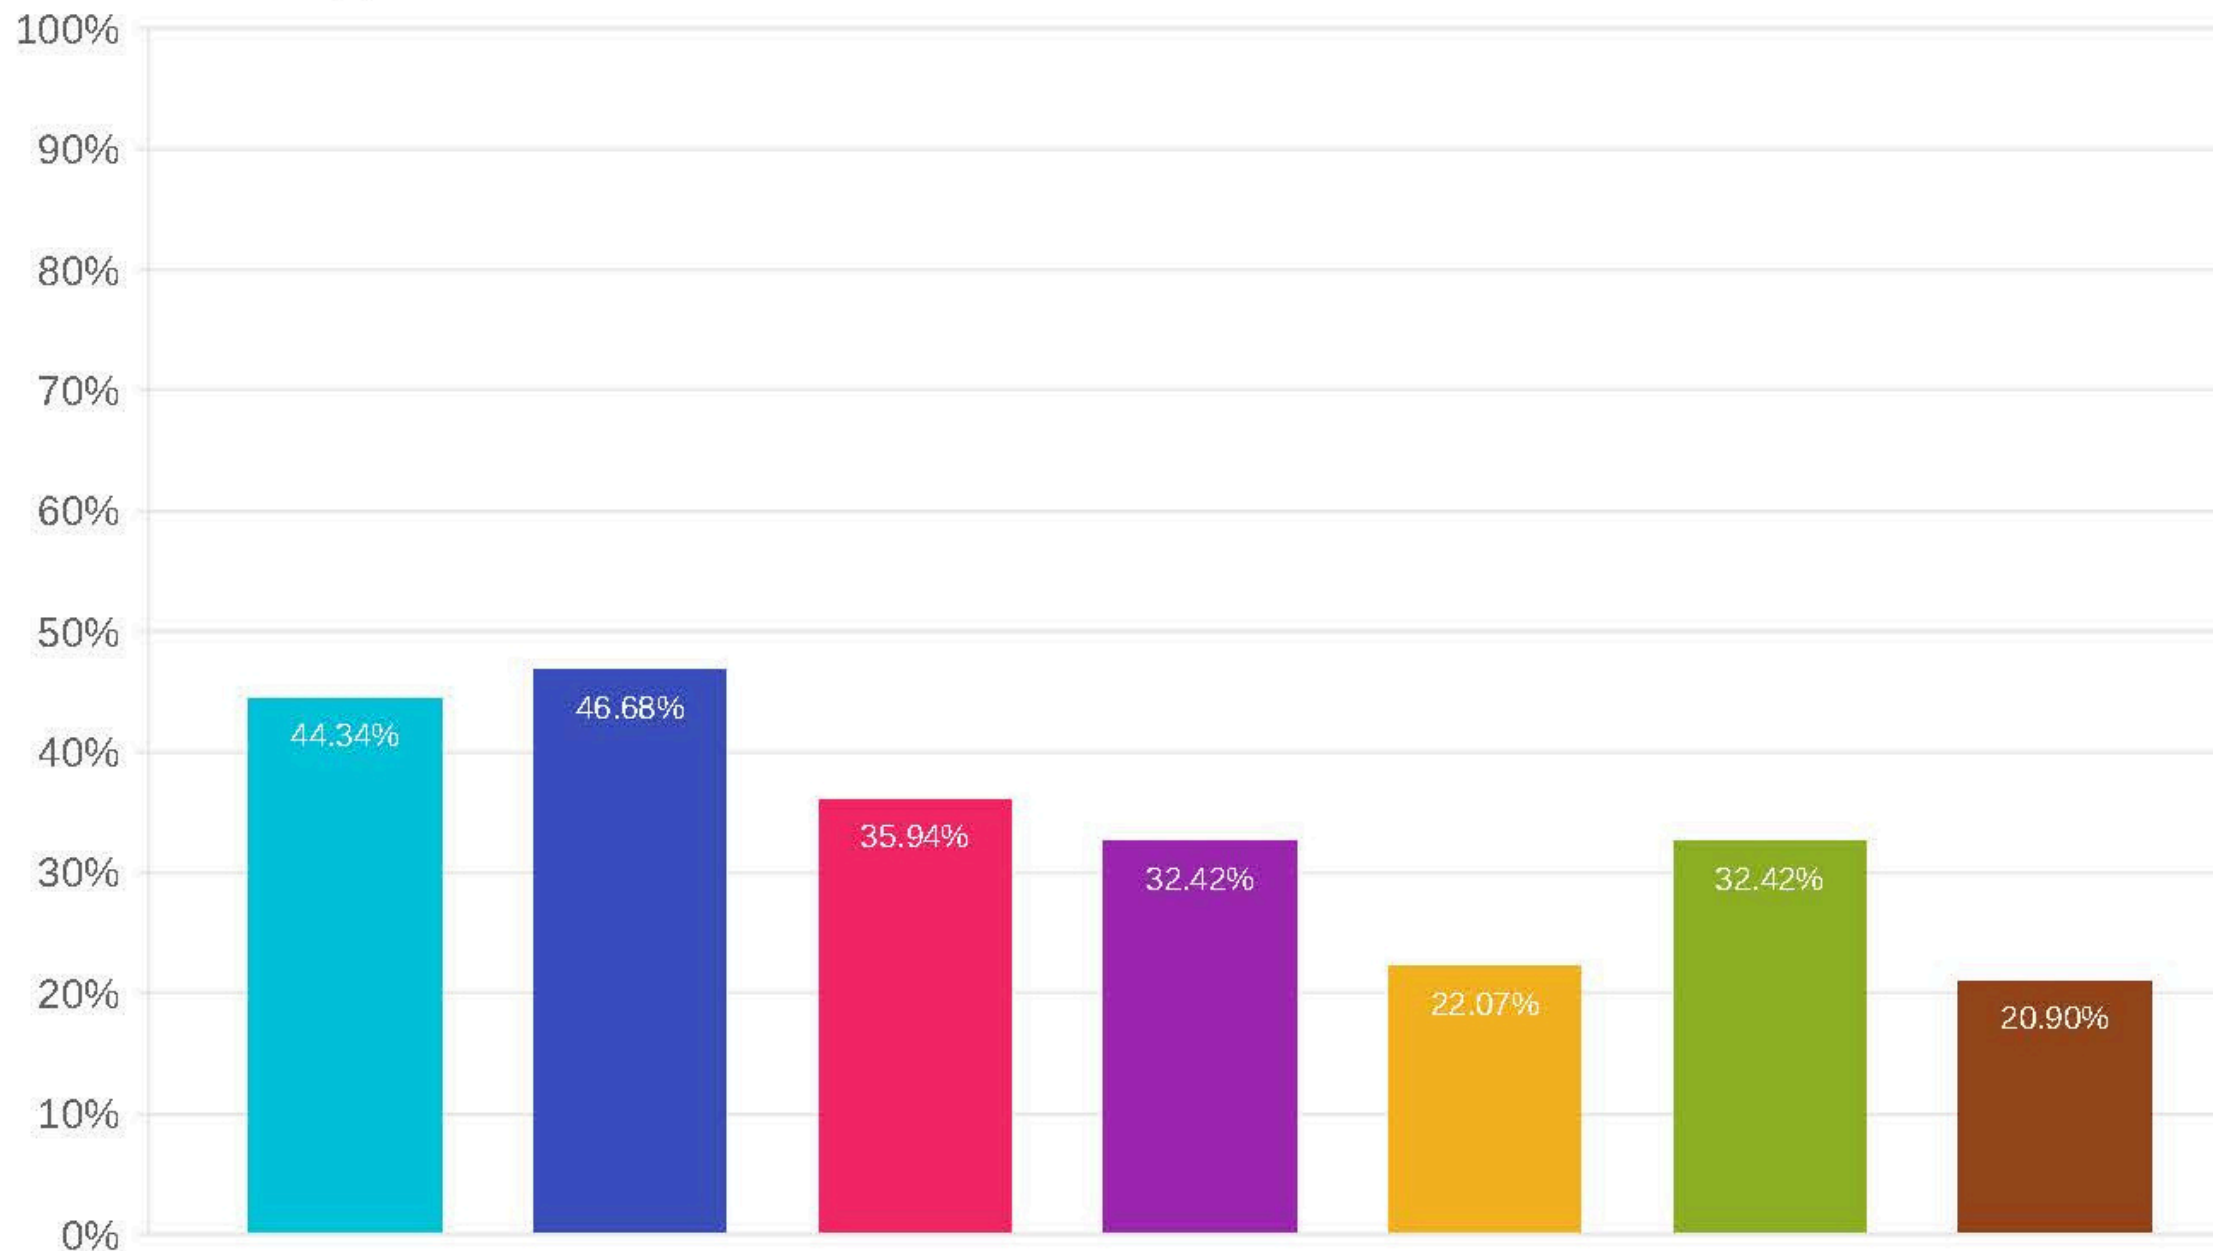

- Tax impact seemed too high
- Project felt too large/expensive for Rexburg
- Prefer renovation/repurposing of an existing building (yet to be purchased) instead of new construction
- Reduce existing debt before taking on new debt
- Need/scope was not explained clearly enough
- Concern about oversight/accountability and spending controls
- Concern about location/neighborhood impacts
- BYU-Idaho should contribute to the project (as applicable)
- Other (Please specify)

Station Bond Survey

What information would be most helpful if the City considers a revised proposal? (Select up to 3)

Answered: 512 Skipped: 26

Clear explanation of current facility limitations and operational impacts

Explore cost-reduction options

Options analysis: renovate/repurpose vs build new (with pros/cons)

Independent oversight plan and public reporting (budget/schedule/change orders)

Facility tour or short walkthrough video of current conditions

Location analysis and mitigation plan (traffic, neighborhood impacts)

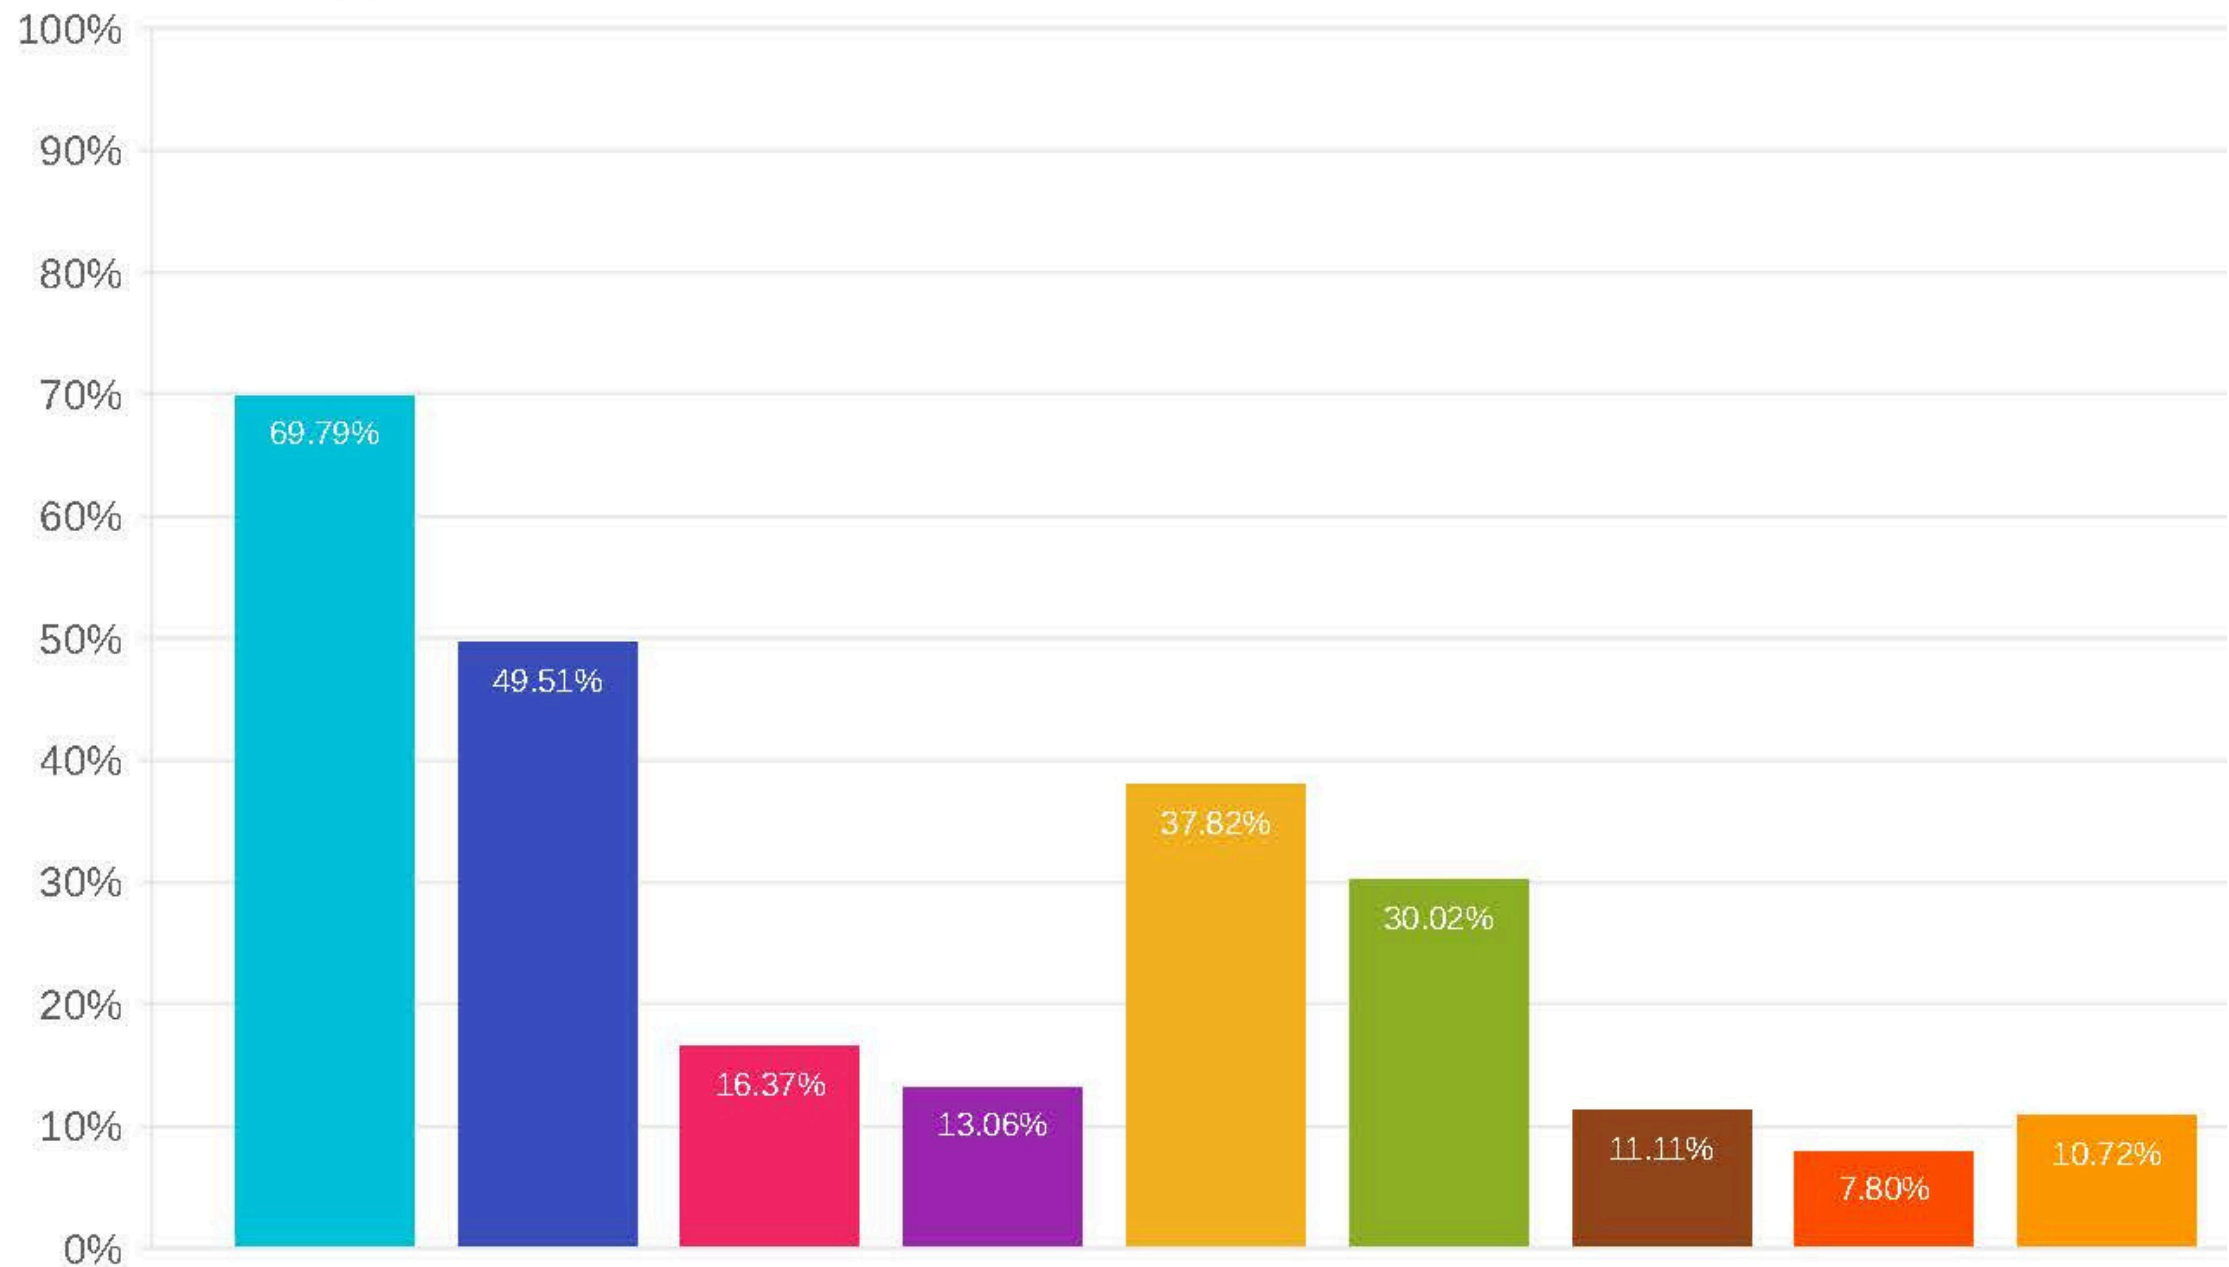

Other (Please specify)

City of Rexburg | Police Department

Station Bond Survey

Which concerns matter most to you regarding a potential future police facilities bond? (Select up to 3)

Answered: 513 Skipped: 25

Property tax impact/affordability

City debt and financial priorities

Size/scope feels too large

Need has not been clearly explained

Oversight/accountability and spending controls

Location and neighborhood impacts

Timing/competing measures

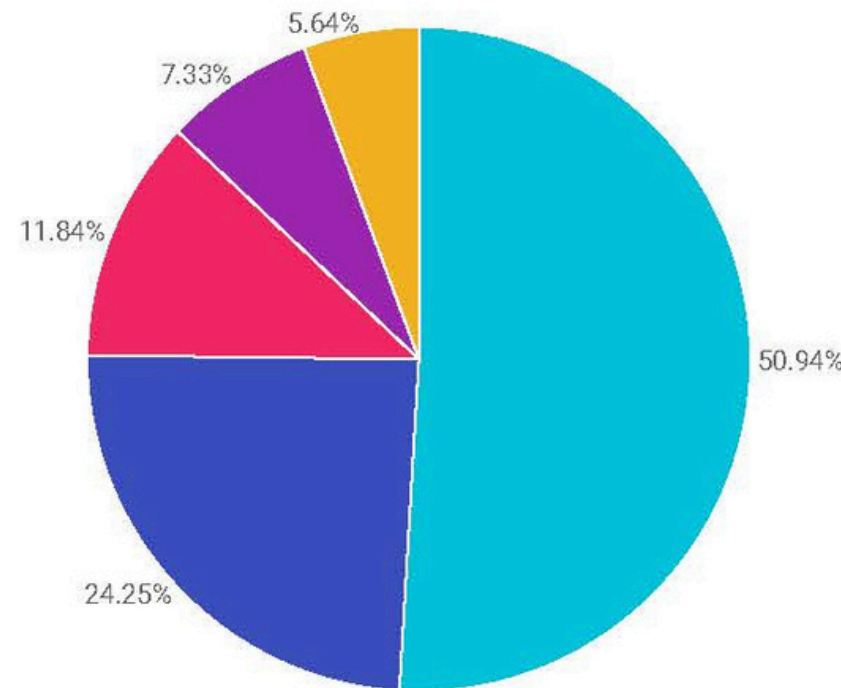

Not sure / need more information

Other (Please specify)

City of Rexburg | Police Department

Station Bond Survey

How much do you agree: “Rexburg needs a new or updated police facility.”

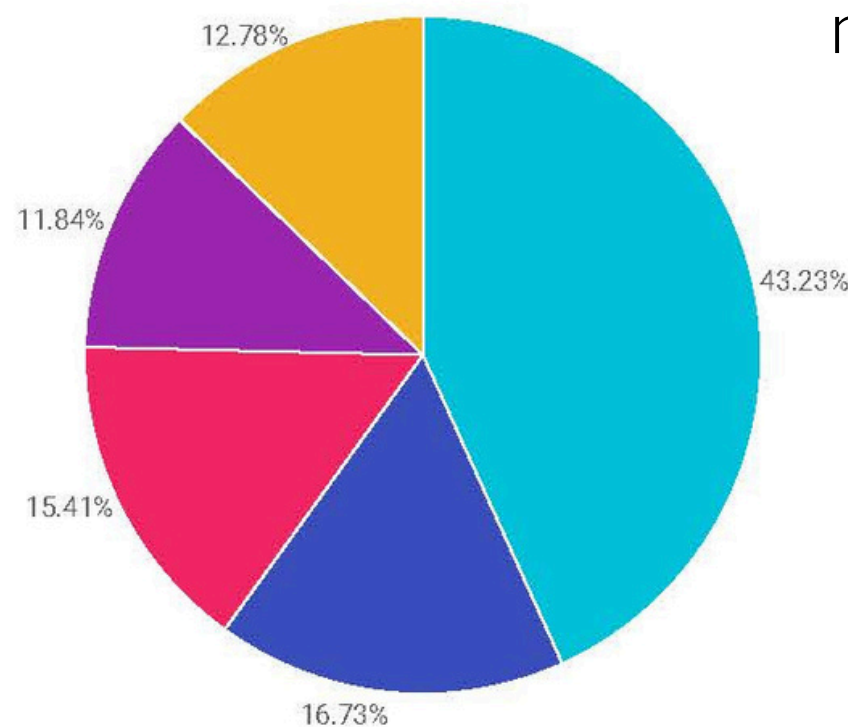

≈ **76%**

At least “somewhat agreed”.

Based on what you know today, would you support a future bond measure to address police facility needs?

≈ **74%**

Would at least consider, if not support the measure.
