As a user of the Adair County Schools computer network, I hereby agree to comply with the District's internet and electronic mail rules and to communicate over the network in a reasonable manner while abiding by all relevant laws and restrictions. I understand that violation of the regulations is unethical and may constitute a criminal offense. I further understand that I am responsible for the security and confidentiality of the data that I have been provided rights to access. I will immediately notify the building level administrator as soon as I become aware that the security of data has been breached. Should I commit any violation, my access privileges may be revoked and school disciplinary action and/or legal action may be taken, as determined by school officials.

☐ I wish to opt-out/rescind access to electronic media involving District technological resources as a student 18 years old, while understanding this will not allow me to use any technology resources of any kind including internet, hardware and software.

Prior to the student being granted independent access privileges, the following section must be completed for students under 18 years of age:

Consent for Use

By signing this form, you hereby accept and agree that your child's rights to use the electronic resource provided by the District and/or the Kentucky Department of Education (KDE) are subject to the terms and conditions set forth in District policy/procedure. Please also be advised that data stored in relation to such services is managed by the District pursuant to board policy 08.2323 and accompanying procedures. The Internet and electronic communications offer fluid environments in which students may access or be exposed to materials and information from diverse and rapidly changing sources, including some that may be harmful to students. The District recognizes that it is impossible to predict with certainty what information on the Internet students may access or obtain. Nevertheless, the District shall take reasonable precautions to prevent students from accessing material and information that does not serve a legitimate educational purpose or is otherwise harmful to minors. These precautions include (but are not limited to) filtering software, maintaining a secure usage log, and educator monitoring and mindfulness of student Internet access in school. The District is not responsible for the content accessed by users who connect to the Internet via their personal device and non-school network (e.g., cellular services, home network).

As a parent/guardian of the student signing above, I have read and agreed to the Electronic Acceptable Use Policy and Procedures. I understand that some materials on the Internet may be objectionable; therefore, I agree to accept responsibility for advising my child, and conveying to her/him appropriate standards for selecting, sharing, and/or exploring information and media. I understand and agree that it is necessary for school personnel to supervise student use of this form of technology and I will support their efforts to insure appropriate use. My permissions, as granted above, will stay in effect until I make a change in writing.

☐ I wish to opt-out/rescind access to electronic media involving District technological resources for my child identified above, while understanding this will not allow my child to use any technology resources of any kind including internet, hardware and software.
