

Hello!

We are looking forward to welcoming your student-athletes, coaches, and spectators to Tri-Valley for the upcoming football game. We appreciate your partnership in making our events positive, safe, and enjoyable experiences for everyone involved.

As you prepare for your visit, please share the following information and reminders with your coaches, athletes, families, and spectators.

SPORTSMANSHIP

We ask that all spectators come prepared to support and encourage their team while demonstrating respect toward opposing student-athletes, coaches, and officials.

Poor sportsmanship, including yelling at or criticizing officials, coaches, or players, is not acceptable at Tri-Valley athletic events. Everyone involved has put significant time and effort into competing and performing at a high level, and we expect our guests to honor that effort through positive behavior and good sportsmanship.

We want every team and community that visits Tri-Valley to feel welcomed and respected.

PARKING

Please use designated parking spaces for the game. A parking and entry map is included in this letter.

Do not park in bus or fire lanes, as these areas must remain open for school buses and emergency vehicle access.

We also ask that all guests respect our facilities by not parking in or driving on the grass unless directed to do so.

SUPERVISING CHILDREN

Parents and guardians are responsible for supervising children who attend athletic events.

Children should not be allowed to roam freely or unsupervised throughout school buildings or campus grounds. Tri-Valley does not provide full, direct supervision of children attending athletic events as spectators. Students under the age of 14 must be accompanied by a supervising adult.

ACCESSIBILITY

Tri-Valley is committed to providing accessible services and opportunities for all guests.

Handicap accessibility is available through the Middle School gate entrance. Courtesy golf cart shuttle service will also be available from the High School gate entrance to the field for guests with limited mobility.

If you have questions or concerns regarding accessibility or accommodations, please contact our Athletic Director, Michael Jennings @ **(208) 914 5422**.

THANK YOU!!

We realize that many of these reminders may seem like common sense, but we appreciate your help in communicating our expectations to everyone attending the event.

Our goal is to provide a welcoming environment where student-athletes can compete, families can enjoy the event, and everyone can be proud of the way their school and community are represented.

Thank you for visiting Tri-Valley, and we look forward to a great contest!

Tri-Valley Athletic Department
