# Possible Strategic Plan Focus Areas

***ForConsiderationatParentEngagementNight–January 26, 2026***

Davis School District
LEARNING FIRST

### 1. Student Success & Academic Excellence

**Includes:** Student academic achievement, quality instruction, student engagement, future-ready learning, results orientation.

**Focus:** Ensure every student has access to rigorous, engaging learning experiences that prepare them for college, career, and life.

### 2. Learning Opportunities

**Includes:** Advanced Placement, concurrent enrollment, career and technical education, accelerated and enrichment opportunities. Supports for struggling learners.

**Focus:** Expand equitable access to advanced learning opportunities that challenge students academically and support their future goals.

### 3. Whole Child Development

**Includes:** Physical & mental health, student well-being, durable skills development, confidence and self-regulation.

**Focus:** Support students' social, emotional, and cognitive growth while fostering resilience, adaptability, and overall well-being.

### 4. Relationships, Belonging & Inclusion

**Includes:** Relationships with teachers, trust, safe and supportive learning environments, student connection, belonging, dignity, equitable access to opportunities, environments free of harassment and discrimination, and removal of barriers across schools.

**Focus:** Foster strong, caring relationships and inclusive environments where students feel seen, valued, supported, and experience a strong sense of belonging, while ensuring equitable access to learning, supports, and opportunities so every student can succeed.

### 5. High Quality Staffing

**Includes:** Professional learning, staff capacity, tools and resources, employee confidence and support.

**Focus:** Provide educators and staff with the resources, training, and support needed to deliver high-quality instruction and services.

### 6. Family & Community Engagement

**Includes:** Family partnerships, two-way communication, shared responsibility for student success, relationships with community stakeholders, collaboration, engagement, and trust-building.

**Focus:** Strengthen partnerships with families and community members through responsive communication, collaboration, and shared responsibility to support student success and the work of schools.

### 7. Communication & Transparency

**Includes:** District communication, clarity of information, timely updates, transparency in decision-making.

**Focus:** Communicate clearly and consistently to build trust, improve understanding, and ensure families and staff feel informed and heard.

### 8. Effective & Sustainable Operations

**Includes:** Finances, systems, operations, accountability, continuous improvement.

**Focus:** Maintain efficient, transparent, and sustainable systems that support growth and responsible stewardship of resources.
