Halloween Costume Guidelines

Be respectful: Avoid stereotypes. Be racially sensitive and culturally appropriate. Students may not dress up as an ethnic or cultural group (i.e., a Mexican, a Geisha, a Native American, etc). Skin color must not be altered in any way.

Be responsible: Recognize that students in a wide age range will see the costumes. Costumes should be family friendly. Masks may not be worn. Costumes may not be gory or threatening.

Your student's teacher must know what costume each student is wearing by Wednesday, Oct. 28th- please send them an e-mail communication and don't hesitate to reach out if you are unsure if the costume will be appropriate.

Be safe: No hand-held accessories, real or pretend (i.e., wands or weapons) are allowed. Crowns or hats may be worn.

Be kind: Costumes should be fun and exciting, not political, or offensive.

Be Understanding: Students may dress up as fictional characters if they follow the above guidelines.

Note: Every year in the State Title VI/Indian Education meeting, it is discussed that dressing up as Pocahontas or other Native American Leaders is inappropriate. In respect to the Native American view, students are not to dress up as Native Americans (i.e., Pocahontas, Sacagawea, Sitting Bull, etc.).
