NOVEMBER 2026

Better Together ♡

WHAT'S HAPPENING

We extend a big thank you to everyone who attended and supported our School Carnival. It was wonderful to see so many familiar faces, and we truly had a fantastic turnout. Your support is greatly appreciated! The funds raised will benefit our students at Summer Camp next summer.

Upcoming Events

- **Book Fair**: Mark your calendars for November 11th to 13th! This is a perfect opportunity to gather some delightful items for under the Christmas tree. We invite you to visit us after school each day and explore what we have to offer!
- **Open Hours**:
  - Wednesday and Thursday: 3:30 PM to 5:00 PM
  - Friday: 1:30 PM to 3:30 PM

Picture Re-takes: Scheduled for November 11th.

UPCOMING EVENTS

- November 1st - Reading Challenge Begins
- November 11th - 13th - Book Fair
- November 11th - Picture Re-Takes
- November 25th - 27th - Thanksgiving Break
- December 18th - Early Out
- December 21st - January 5th - Winter Break

READING CHALLENGE - MASKED SINGER

Get ready Pelicans! Something big is coming to Island View!

This November, we're challenging the entire school to READ! READ! READ!

The Goal is 600,000 minutes!

Reach the goal and Island View teachers and staff will take the stage in costumes to hide their identity and sing! It will be up to you to see who is under that mask!!

This challenge starts the first of November and will end November 30th!

COLD WEATHER

As Jack Frost tiptoes in, here's your friendly nudge to bundle up those kiddos! The district's policy says kids will be braving the great outdoors if it's 20 degrees or warmer. So, layer up and get ready to conquer the chilly days with style!

Stay Warm! ♡

DAVIS HELPS

MENTAL HEALTH SCREENING

NOV. 18, 2026

YOUTH PRE SCHOOL - 6TH GRADE
Davis Behavioral Health in Layton
5:00-7:00 PM

Registration closes November 13th

Meet with a mental health provider.
Learn about community resources.

Screening will address social and emotional needs, depression, anxiety, trauma and safety concerns.

The screening is not a full psychological evaluation.
A clinical diagnosis will not be made.
Parents must be present.

To register and schedule an appointment visit dhbutah.org/screening or call Angie Smith @ 801-336-1742.

When is sick too sick for school?

A regular attendance routine is important for your child's well-being and learning. These tips can help you decide when to keep your child home when they don't feel well.

SEND ME TO SCHOOL IF...

- I have a **runny nose** or just a little cough, but no other symptoms.
- I have **NOT had a fever overnight and have NOT taken fever reducing** medicine during that time.
- I have a **mild stomach ache.**
- I have **not thrown up overnight and can drink liquids without throwing up.**
- I have a **mild rash and no other symptoms.**
- I have **eye drainage WITHOUT fever**, eye pain or eyelid redness.

KEEP ME AT HOME IF...

- I have a **temperature higher than 100.4.**
- I have **thrown up two or more times** in the past 24 hours.
- My **stool is watery and I may not make it to the bathroom in time.**

SEEK MEDICAL CARE IF...

- I have a **temperature higher than 100.4 AND any of the following:** ear pain, sore throat, rash, stomach ache, headache or tooth pain.
- I have **stomach pain and fever**, I have bloody or black stool, or I am **dehydrated** (tired and sleepy, dry mouth) and/or I have not urinated in the last 8 hours.
- I have a **persistent cough** or **trouble breathing**, or I have a fever with the cough.
- I have eye **swelling**, **eye pain** or an eye injury.
- I have a **rash that has blisters**, is draining, is painful, looks like bruises, and/or I have a fever with the rash.

If you don't know whether to send your child to school, have specific concerns regarding your child's physical or mental health, or are worried your child will spread dread illness, contact your child's health care provider, or check with your school nurse. These tips are not meant to take the place of your health department/school district health guidance including about contagious illness, such as Covid-19 and the flu.

How does your family ride?

Your feedback can help Utah DHHS inform community design, safety and use laws, and education for riders across the state.

This survey is for you if:
You're a parent of a child under 18 with access to any type of bike or scooter.

Tell us:

- What you do to stay safe while riding
- Where your household likes to ride
- How you'd like to learn about road and safety laws
