WISE WASTE TIPS

CART PLACEMENT

Place your cart(s) at the curb by 7 a.m. with wheels facing the curb. Do not leave any materials next to or outside your cart.

TRASH: Bag and Secure

Help reduce litter from falling out when carts are serviced by bagging up trash and yard waste especially on windy days.

RECYCLING: Keep It Loose

Never bag-up recyclables. Instead place materials directly into carts. Also keep plastic bags out of recycling.

CARDBOARD BOXES

Break down and flatten cardboard boxes to conserve space inside recycling carts and ensure the lid can be fully closed.
