Dear *USD 421* Families,

We're so glad that we've had a great start to the 2026-2027 School Year!

To keep you informed and involved, we're using ROOMS, our two-way communication tool that helps you stay connected with your child's teachers and school staff.

To get the most out of the new updates, be sure to download or update the **LYNDON USD 421** app, available in the App Store and Google Play. It's the easiest way to get messages, announcements, and updates—all in one place, and always in our school's brand.

What do you need to do to get started?

- If you have our **LYNDON USD 421** app downloaded, please make sure it is updated to the latest version.
- Check out this overview of ROOMS, or watch this short video to refresh yourself on all things ROOMS.

We're here to help make communication simpler, more consistent, and easier to manage, so you never miss a moment in your child's school experience.

Here's to a great year ahead!

Best,
Kim Woolf
