

La Conner Elementary School
Class Placement Parent Request
2026-27 School Year

Policy regarding placement of students in class:

The placement of students on class rosters is an important responsibility that teachers, specialists, and administrators devote considerable time and energy to each year. The information you provide will be considered, along with the factors mentioned below, but it is **NOT** a request for your child's placement in a particular teacher's class.

The goal of the process is to place each student in a class that is balanced and will provide the best learning opportunity for all children. Many factors are considered, including:

- * The program needs of students
- * Individual motivation and student behavior
- * The balance of academic skills
- * Compatibility with other students in class
- * The balance of classroom demographics
- * The ability of students to work independently

Information from parents about their child's needs:

Student's Name _____ Current Teacher _____

Person Completing Form _____ Relationship to Child _____

To help us to place your child in the most appropriate educational setting, please provide the following information:

My child works best in the following classroom environment:

My child has the following academic needs:

My child has the following social/emotional needs:

I understand that, while every effort will be made to place my child in a classroom that closely matches the information shared above, many factors will influence my child's class placement. *I also understand that the principal will make all final decisions with input from teachers.*

Signature of Parent / Guardian: _____

E-mail _____ Phone _____

This form must be received by **Friday, August 1, 2026**, to be considered. Completed forms can be scanned and emailed to mknowles@lc.k12.wa.us, brought into the elementary school office, or mailed to La Conner Elementary School, PO Box 2103, La Conner, WA 98257.
