WHO ARE THE OUTREACH FACILITATORS?

The Monongalia County Schools' Outreach Facilitators are licensed social workers placed in every Monongalia County school. They serve as the link between schools and the community by providing services to students, families, and school personnel to promote and support students' academic and social success.

WHAT DO OUTREACH FACILITATORS DO?

- Make referrals to outside agencies such as:
  - Health (medical, optical, dental) and mental health services
  - Food, clothing, housing & utility assistance
  - Holiday assistance
  - DHHR Services - medical cards, SNAP benefits, utility services, etc.
- Build and maintain positive, cooperative, and effective relationships with students, families, community, and colleagues
- Participate in IEP/SAT meetings
- Facilitate crisis interventions
- Assist instructors with student needs in academic settings
- Assist students and families with technology used in classroom instruction

STAY UP TO DATE!

- Download the app "Remind"
  - This is a parent-teacher communication app that is used to send out reminders about upcoming community events, resources, activities, etc.
- Follow your school's social media account on Twitter and Facebook. Information and resources are posted on those accounts periodically.
