CHILD FIND

Every child deserves the opportunity to learn and thrive.

Do you have concerns about your child's learning or development?

Borden-Henryville School Corporation (BHSC) works to locate, identify, and evaluate children who reside within BHSC boundaries and may need special education and related services. This includes children who attend a BHSC school, a nonpublic school, or homeschool.

You may notice concerns with:

- Speech or communication
- Reading, writing, or mathematics
- Attention, memory, or problem-solving
- Social, emotional, or behavioral development
- Motor skills, hearing, or vision
- Independence and daily living skills

Who may make a referral?

A parent/guardian or the school may request an educational evaluation when a disability is suspected.

A request may be made:

- Verbally or in writing
- To a teacher, school counselor, school psychologist, social worker, principal, or other administrator

WHAT HAPPENS NEXT?

1

Contact BHSC

Share your concerns with a licensed educator and request an educational evaluation.

2

Receive written notice

BHSC will provide a written response explaining whether an evaluation is proposed or refused and the basis for that decision.

3

Provide consent

If an evaluation is proposed, written parent/guardian consent is required before testing begins.

4

Review the results

A Case Conference Committee (CCC), including the parent/guardian, reviews the evaluation and determines eligibility and next steps.

HAVE QUESTIONS OR WANT TO REQUEST AN EVALUATION?

Leah Seng, Director of Special Populations
812-913-9630 | lseng@bhsc.school

Educational evaluations are provided at no cost to families. A request for evaluation does not enroll a child in public school or authorize special education services.
