Chartiers-Houston School District

Students entering Grade 7

(2026-2027)

All students entering seventh grade must have a dental examination. You may choose to have your personal dentist complete the exam at your expense, or the school dentist will complete the exam at no cost to you. School dentals will be scheduled at the beginning of the school year.

Forms are on the district website which must be dated after January 1, 2026. Please call if you need assistance or have any questions.

Also, students entering seventh grade are required to have one dose of tetanus, diphtheria, acellular pertussis (Tdap) and one dose of meningococcal conjugate vaccine (MCV) by the first day of school.
