Eastwood Knolls International School

Dear Military Families,

Welcome to Eastwood Knolls International School. As a designated Purple Star Campus, we are proud to support military-connected students and their families. The Purple Star designation, awarded by the Texas Education Agency, recognizes schools that demonstrate a strong commitment to meeting the unique needs of military families through campus support systems, resources, and community connections.

At Eastwood Knolls, we are committed to ensuring that every military-connected student feels welcomed, supported, and successful throughout their educational journey. We understand the challenges and transitions military families may experience, and we are honored to partner with you in providing a positive and supportive school experience for your child.

If you have any questions or need assistance, please contact our Military Liaison:

Ms. Luz E. Diaz
915-434-4413

You can also find additional information and resources on our campus webpage.

Thank you for your service, and thank you for trusting Eastwood Knolls with your child's educational journey.

Respectfully,

Christopher Puga
Principal
