Dear Matador Military Family,

I am honored to introduce myself as the Principal of Parkland Early College High School. It is both a privilege and a responsibility to serve a campus that proudly supports our military-connected students and their families.

At Parkland, we recognize the unique challenges military families may face, including transitions, deployments, and relocations. Our faculty and staff are committed to ensuring that every military-connected student feels welcomed, supported, and valued from the moment they join our Matador family. We strive to provide strong academic guidance, social-emotional support, and meaningful opportunities that allow our students to thrive in our Early College environment. Helpful information and resources are available on the Parkland website to assist you throughout the school year.

We deeply value your voice and partnership. Your feedback and input are essential as we continue refining our practices to better serve our military families.

If you have any questions or need assistance, please contact our campus Military Liaison, Ms. Veronica Gallegos, at vgallegos7@yisd.net. She also serves as our Communities in Schools (CIS) Coordinator and Volunteer Coordinator and is available to support students and families.

Thank you for your service and sacrifice. We are truly honored that Parkland is your school of choice. We look forward to providing exceptional academic, athletic, and fine arts opportunities, along with meaningful experiences that prepare our students for college and career success. Our goal is to deliver service excellence with every interaction.

Respectfully,

Javier Salgado
Principal
Parkland Early College High School
