Office: (915) 434-5800

Dear Military Parents and Families,

Welcome to El Paso and welcome to Tierra Del Sol Elementary School! Whether you have recently completed a Permanent Change of Station (PCS) to Fort Bliss or have been a part of the Sun City community for a while, we are absolutely thrilled to have your family join our school this year.

We know that military life is uniquely rewarding, but it also comes with its own set of challenges. Relocating to a new duty station, navigating deployments, and adjusting to new routines can be stressful for the whole family, especially for your children. We want you to know that at Tierra Del Sol, **we see you, we appreciate your service, and we are here to support you.**

Our goal is to make Tierra Del Sol a second home for your child. We pride ourselves on creating a stable, nurturing, and engaging environment where every student can thrive academically and socially, no matter how long they are with us.

How We Support Our Military Students

To help your child transition smoothly and feel a sense of belonging from day one, we offer several supports tailored specifically for our military families:

- **Smooth Transitions:** Our staff is trained to understand the academic and emotional impacts of frequent moves. We work closely with families to ensure transfer credits, special education services (IEPs/504s), and academic placements are handled quickly and seamlessly.
- **Peer Buddy System:** To make those first few weeks a little less intimidating, new students are paired with a "buddy" in their classroom to help them learn the ropes, find their way around the campus, and make new friends quickly.
- **Open Communication:** We believe that education is a partnership. We maintain an open-door policy and encourage you to reach out to our teachers and administrative staff with any concerns or updates regarding your family's situation (such as an upcoming deployment or TDY).

Get Involved

We would love for you to be an active part of our school community. There are many ways to get involved, from joining our PTO to volunteering in classrooms or attending our school-wide family events. Building a strong community network is one of the best ways to make a new duty station feel like home.

Please keep an eye out for our upcoming back-to-school orientation schedule, where you will have the chance to tour the campus, meet the teachers, and connect with other families.

Thank you for everything you do for our country and thank you for entrusting us with your child's education. We are looking forward to a fantastic school year together!

Warm regards,

Monica Triplett
