When devices are broken, school administration meet with the student, document in WVEIS, fill out the slip, then send device in for repair.

All devices that are broken, either purposely or accidentally, will be invoiced. *Devices that receive natural wear and tear, or manufacture defects will not be invoiced.*

Once devices are repaired, the school office will be notified and devices that are invoiced will remain at BOE until full payment has been made. Parents will receive an invoice for the repairs.

How to Pay:

1. Payments can be made at the school office or the school board office.
