Your child's pick up and drop off locations must be the same each day with **ONLY ONE** optional location allowed in an area served by your child's school.

ALL OTHER TRANSPORTATION outside of these locations will be the responsibility of the parent/guardian.

It is very important that you keep your address information current.

Changes might have to wait for up to 1 week for your student(s) to start a new transportation assignment.

If you have questions about busing, email: sandraziegler@getschools.k12.wi.us.
