

I am honored and excited to join Bishop McNamara Catholic School as the Head Athletic Director.

First and foremost, I am grateful to God for this opportunity. Over the past year, I have experienced firsthand the truth of Psalm 23:1, "The Lord is my shepherd; I shall not want." Through every season, God has been faithful, and I am thankful for His guidance in bringing me to this opportunity to serve the Bishop McNamara community.

Bishop McNamara has a rich tradition of faith, excellence, and community, and I am excited to partner with students, families, coaches, alumni, and supporters to continue building upon that foundation. I believe athletics and activities are powerful tools for developing character, leadership, discipline, teamwork, and lifelong relationships.

My vision is to help create a unified culture where every student feels seen, valued, and supported while preparing them for success in the classroom, competition, and life. I look forward to serving the Bishop McNamara family and contributing to the mission of developing young men and women who will make a positive impact in their communities and beyond.
