

Dear Parents,

Look no further, Woodhaven High School is the school for you! As an administrator for the past 15 years at WHS, I have seen many wonderful changes come to fruition to make us a premier school. We have top notch facilities and excellent athletic opportunities. Our sports teams continue to compete for, and win, championships.

Jay Vesperman
Principal

The amazing learning opportunities are expansive - Advanced Placement, Career Technical, and an extensive selection of elective courses. All of our students will have experiences backed by first-rate technology. Learning extends beyond the classroom into the many clubs and groups that meet the needs of all our students including Esports, Women of Woodhaven, Quiz Bowl, DECA, and Robotics to name a few. WHS has award-winning performing arts programs including band, choir, and theater.

Everything mentioned above is wonderful but the best part of WHS is the amazing staff. The caring relationships the staff develops with our students lets them know they belong and are safe.

If your student isn't enrolled in our school, visit WHS and see for yourself. You can visit our website at: mywbsd.org/whs.

Feel free to call and schedule a tour of our building 734.783.3333, I will be happy to show you around.

Who we are

Woodhaven High School is a 10th-12th grade educational facility dedicated to developing a community of independent and productive life-long learners.

Although we're a high school, we act like a smaller school, where our parents know our staff, our staff knows our students — and we work together to create a bright future for every individual.

Where we are

Woodhaven High School is located on Van Horn Road, just east of Telegraph — which makes it easily accessible throughout our community.

Nearly all our students receive district transportation services. Others are dropped off and picked up by their parents — or older students can drive themselves to and from our campus.

Building Programs

Woodhaven High School offers a number of building-wide programs, events, and activities designed to engage, motivate, and reward our students for their efforts. These include:

- Student Council
- National Honor Society
- State Champion Robotics Team
- Student Newspaper
- Broadcasting
- Woodshop
- Award winning Theatre, Choir & Quiz Bowl
- Varsity Lacrosse Club
- Educational field trips
- Unique music ensembles that include concert winds, symphonic band, jazz ensemble, marching band, percussion, and Woodhaven Elite

Our Staff

Woodhaven High School prides itself on the experience and caring nature of our instructional staff. Our teachers are all highly qualified and bring additional professional development experience to our classrooms.

Principal Jay Vesperman has worked at Woodhaven High School as an administrator since 2008. He has 21 years of experience in education. Previously, he served as a middle and high school math and science teacher while coaching football, wrestling and track & field.

In addition to Mr. Vesperman, the WHS administrative team includes assistant principals Heather Fondaw and Dawn Izzi, as well as athletic director Keith Christnagel.

Jay and his staff make it their purpose to ensure that their students have wonderful experiences and are successful at WHS and beyond.

Our Students

Woodhaven High School students have consistently performed above the state average on the SAT and other standardized tests.

Our students also excel in classroom learning and the desire to succeed — while maintaining good citizenship and developing quality interpersonal skills.

Contact Us

To learn how we can prepare your student for a world of possibilities, contact us at 734.783.3333.

Our Parents

Woodhaven High School parents are the best, working one-on-one with our teachers and our various committees to stay involved in their child's educational experiences.

In addition, they play an important role in their students' progress throughout the year.

Academic Programs

Woodhaven High School offers a full day of classroom study aligned with state standards — with an emphasis on literacy and based on a demanding, comprehensive curriculum that's focused on college/career readiness.

We also offer:

- One-to-one learning devices for all students
- Interactive white boards in the classroom
- Project Based Learning Zone
- Early Middle College & Dual Enrollment
- Online programs for struggling students and credit recovery program
- Multiple opportunities for AP courses
- NCAA approved courses
- iReady assessment and individualized learning pathways
- Comprehensive support services (social work, resource room, counselors)

Our school also offers a variety of elective classes, as well as vocational classes through the Downriver Career Technical Consortium.

Finally, our students can participate in a wide variety of sports and extracurricular activities.

Our Services

Woodhaven High School provides a complete special education program for those who have specific learning disabilities or challenges.
