Randolph County School System
"RCSS STAR3 Students" for May 2026

Coleridge Elementary School – Wilson Albright

Wilson is such a kind and helpful student who brings so much joy to his classroom and school. He loves sharing his wonderful stories and always brightens the day with a friendly hello and a big smile in the hallway. Wilson has been working so diligently, putting in extra effort to grow his skills and reach his goals. It is truly exciting to see all of his hard work paying off as he learns new things every day. We are proud of you, Wilson, and we are so thankful you are part of our Rocket Family!

Eastern Randolph High School – Makenzie Craven

Eastern Randolph High School is proud to recognize Makenzie Craven as our STAR^3 student for the month of May. Mackenzie has already made quite an impact at ERHS as a 10th grader. She is in the top 5 in her class academically and her teachers have commended her on her work ethic and drive to succeed academically. Mackenzie was recently accepted into the Impact Now summer entrepreneurship program and here at ERHS she is a member of our Catalyst Dance program and cross-country team. Mackenzie plans to attend college after high school and is interested in becoming a pediatric nurse or ultrasound technician.

Farmer Elementary School – Alyssa Neel

Alyssa is a bright first grader who always has a smile on her face. Her positive energy radiates throughout the entire room and lifts up everyone around her. She is a wonderful friend to her peers and a fantastic example of what it means to be a Farmer student.

Seagrove Elementary School – Brody Cole

Brody consistently demonstrates what it means to be a true leader in our classroom. He is not only academically strong and eager to learn, but sets a positive example for his peers every day. What sets Brody apart is his kindness and character. He goes out of his way to help others, whether it's assisting a classmate with a task, offering encouraging words, or simply including everyone during play. Brody also has a love for sports and teamwork. He shows great sportsmanship and celebrates his own successes and the successes of others. When we are playing a game in class, Brody is always a humble winner and uplifting to his classmates. He truly shines as a star in our classroom and is most deserving of this award. We are proud to call Brody our Star^3 Student!

Southeastern Randolph Middle School – Nolan Houston

Nolan Houston is a dedicated and hardworking student who consistently puts forth his best effort in all that he does. He completes all of his assignments on time and takes pride in the quality of his work. Nolan advocates for himself by asking questions and seeking help when needed, showing strong responsibility for his learning. As a student-athlete, he demonstrates excellent balance by prioritizing his academics before sports. Nolan is a great example of commitment, discipline, and determination both in and out of the classroom. He exemplifies what it means to be a Wildcat and we are proud to select him as our STAR^3 student.

Southmont Elementary School – Kayleigh Henley

Southmont Elementary is proud to honor Kayleigh Henley as our Star^3 student! Kayleigh consistently demonstrates what it means to be ready, responsible, and respectful. She always gives 100% effort. Her focus and dedication often allow her to complete tasks early, and she frequently requests additional activities to keep her momentum going. She sets a magnificent example for her peers by following directions and treating everyone with a kind, caring attitude. Whether she is offering a helping hand or brightening the room with her positive spirit, Kayleigh truly makes our school a better place each day. We are so proud of the example she sets!

Southwestern Randolph High School – Caylyn Cagle

Caylyn has a positive, kind attitude towards everyone she encounters. She excels academically, participates in many clubs, serves as stage manager for musicals, is a media assistant, helps with 5th- and 8th-grade tours, and the list goes on. She always goes above and beyond for the Southwestern Randolph High School staff and peers and never lets any obstacle get her down. Caylyn is always willing to help others in whatever ways she can, and she does so with sincerity of heart and soul. She represents what is best about being a Southwestern Randolph Cougar! Congratulations to Caylyn Cagle on being selected as Southwestern Randolph High School's Star^3 Student for May!

Southwestern Randolph Middle School – Jordan Cox

Jordan is an amazing kid who doesn't broadcast his grades and efforts. He has a very humble spirit and is extremely hard working. He is always quick to check his math work using a variety of strategies, even when he's worked it out mentally. He asks great questions in class and is everything we encourage students to be at SWRMS. He strives for excellence, works with integrity, and respects himself and others. We are proud to recognize Jordan as our STAR^3 student for the month of May.

Tabernacle Elementary School – Courtlyn Connor

Courtlyn always has a smile on her face and is willing to help out in any way possible. She gets along with all the students in her class and works really hard on her assignments. Courtlyn is very helpful as a Safety Patrol student and she greets parents and students every morning with a smile on her face to help start the day on a good note. She is also kind and patient when she is helping younger students. Courtlyn is a wonderful example of what it means to be a STAR^3 Student!

Uwharrie Ridge Six-Twelve – Kaitlyn Hogan

Kaitlyn has been named the STAR^3 Student for Uwharrie Ridge 6–12, an honor that reflects her strength and perseverance. Despite facing several personal challenges this school year, she has handled each one with resilience and determination. She comes to school each day with a positive attitude, a smile on her face, and a genuine eagerness to learn. Kaitlyn is a bright spot in our classroom and is truly loved by both her peers and teachers. We are incredibly proud of her and excited to see all the great things her future holds.
