

Southwestern Randolph Middle School

2026 - 2027 Supply List

ALL STUDENTS:

Below is a list of materials needed to begin the school year. Please note this is a MINIMUM needed to begin school, and multiple quantities of the supplies may be needed throughout the year. We will be purchasing student planners this year; however, we will also be instructing students on the encouraged usage of calendar functions within Google and Canvas. It is imperative that students utilize calendars to document due dates, homework assignments, upcoming quizzes/tests, and other important items as this tool is valuable in avoiding falling behind with work completion and academic progress. All teachers will have updated Canvas pages throughout the year for student access to assignments. Students will also use iReady, a diagnostic software used in grades 3-8, in both math and language arts throughout the year. Wireless headphones/ear buds are NOT permitted during the instructional day; however, students must have a pair of wired ear buds in order to complete lessons in iReady and other digital resources necessary to classroom instruction.
