“Where Children Come First”

Melissa Stager, Ed. D.
Superintendent of Schools

Murat Yazici
School Business Administrator/Board Secretary

School Choice

New Jersey's Interdistrict Public School Choice Program enables approved choice districts to enroll students who do not reside within their districts without cost to their parents. The program increases educational opportunities for students and their families by providing students with school options outside of their district of residence and giving parents the power to select a school program that best serves their child's individual needs.

Students and their families must submit several documents, including the choice application, which can be found on the district's website, directly to the district.

**If more applications are received than there are open spots, a lottery system will be utilized.*

Application is due to the Choice District by November 24, 2026

**Applications received after the deadline will be considered for enrollment only after those who applied before the deadline.*
