McKinney High School is a 6A high school located 35 miles north of Dallas, Texas. Accredited by the Texas Education Agency and the Southern Association for Colleges and Schools, McKinney High School is the original of 3 public high schools in McKinney. A school board with formalized high school requirements was established in 1883, and in 1889 McKinney High School proudly oversaw the commencement of its first graduating class of four students. Today, McKinney High School serves a diverse population of 2700 students and will graduate 630 students in May 2025.
