KEY NOTE SPEAKER

MIKE RYPKA

Founder & CEO, Torchy's Tacos

Mike Rypka who grew up in an alcoholic family fell prey to drugs and alcohol at a very young age. By the time he was in middle school he was a daily user and by 14 he was hooked on cocaine with little to live for.

He got clean at 16. He found structure in restaurant kitchens, starting as a fry cook at thirteen, and built a career that led him from a county club in Virginia to a culinary school in Miami, to corporate kitchens at the World Bank, MTV Studios, Disney Animation, and Dell.

In 2006, he maxed out his credit cards, bought a used food trailer, and parked it on South First Street in Austin, Texas. Torchy's Tacos which now has more than 100 locations across eleven states.
