Complete Your Section of Alex's FAFSA® Form

Hello,

Alex T. started their 2026–27 *Free Application for Federal Student Aid* (FAFSA®) form and needs your input as a contributor. Alex won't be eligible for federal student aid without your help.

Accept Invitation

You will need to log in to StudentAid.gov to accept the invitation. If you log in without selecting the "Accept Invitation" button, you will need to go to the "FAFSA® Form" menu at the top of the page, select "Accept Contributor Invite," and provide this code:

7X6XHXF

If this invitation was sent to you by mistake, decline the invitation.

Why You Were Invited

We need some information from you to determine what aid Alex is eligible for. Without your input, they won't be eligible for federal student aid.

Being a contributor doesn't make you responsible for Alex's education costs.

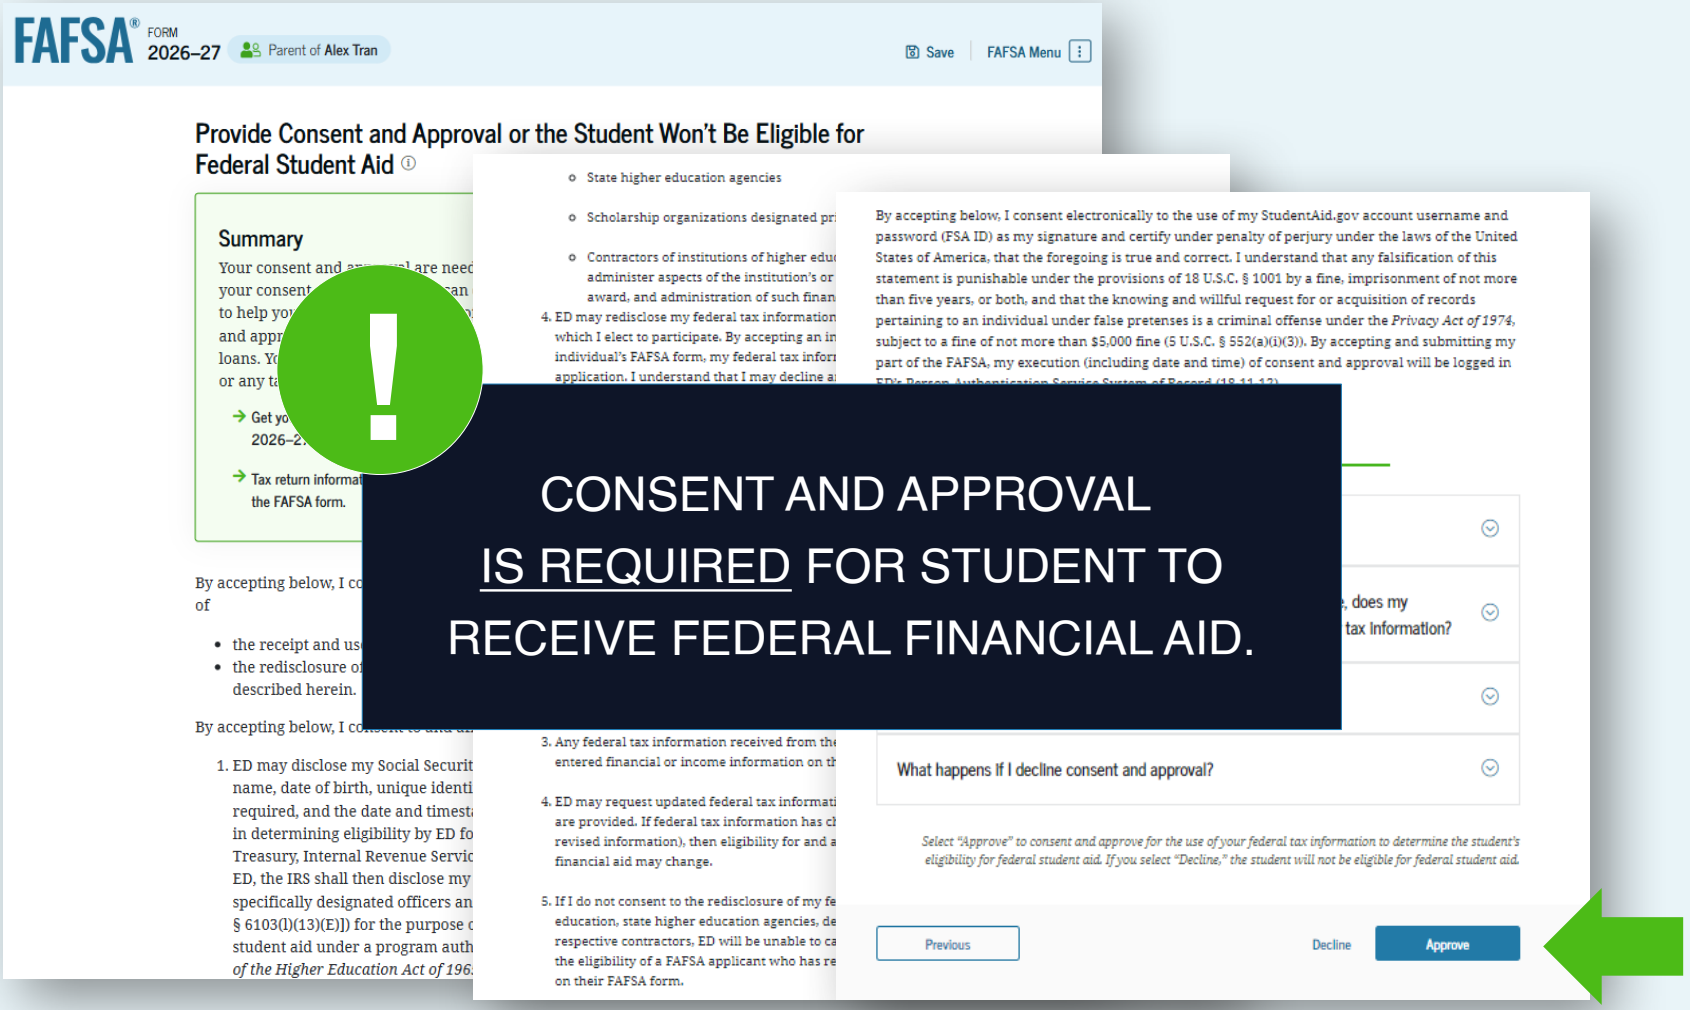

The FAFSA® form is often used to determine a student's eligibility for state and school financial aid in addition to federal financial aid.

We recommend finishing early in case states or schools have earlier **deadlines**.

Claim Your Spot

When a student clicks

“Claim Your Spot”

it means:

Their contact information is securely sent to the college, notifying the college of the student’s intent to begin the admission process for next Fall.

The college will contact the student (by text, phone, or email) to help them begin the admission process.

Students must still submit a college admissions application to be admitted.
