CAMP CUNNINGHAM (CC)

Camp Cunningham (CC) is a licensed, full-day camp offering swimming, sports, arts and crafts & special events. Milton Community Schools, a self-supported department of Milton Public Schools, operates our camp.

CC is inspected annually to comply with the regulations of the Massachusetts Department of Public Health (105 CMR 430.000) and it is licensed annually by the Milton Board of Health.

We place all our emphasis on Values, Respect, Fairness, and Acceptance! Our program provides campers with stimulating daily activities in a safe, nurturing, and fun environment.

LOCATION, DATES, TIMES

Camp is headquartered at the Cunningham School, with swimming at Caldwell Pond located at Cunningham Park. CC runs for six weeks, divided into 3 BI-WEEKLY sessions.

- **SESSION 1**: July 1-12
- **SESSION 2**: July 15-26
- **SESSION 3**: July 29-Aug. 09

Regular Camp hours: 8:00 am to 3:00 pm
Optional Extended Day from 3:00 to 5:00 pm

ELIGIBILITY

Participation in CC and all Milton Community Schools (MCS) programs is limited to Milton Public School students enrolled and attending at the time of CC registration.

- Students must be **entering grades 1-6 in fall 2024.**
- Participants must comply with all CC requirements, procedures, and policies described in this handbook.

FEES & REGISTRATION

Campers may attend as many as three sessions or as few as one session. One-week signups or splitting sessions are not allowed. Please note that tuition cannot be prorated.

Camp Cunningham Tuition Fees 2024		
Session 1	July 1-12 (no camp 07/04 & 07/05)	COST
8:00 am -3:00 pm	Camp Regular Hours	$542.00
3:00-5:00 pm	Extended Day- Additional	$128.00
Session 2	July 15-26	COST
8:00 am -3:00 pm	Camp Regular Hours	$678.00
3:00-5:00 pm	Extended Day- Additional	$160.00
Session 3	July 29-Aug 09	COST
8:00 am -3:00 pm	Camp Regular Hours	$678.00
3:00-5:00 pm	Extended Day- Additional	$160.00

DEPOSIT DUE AT REGISTRATION A non-refundable deposit of $150.00 per session ($100.00 reg. camp hours and $50.00 extended day option) is required to process each registration. The deposit will be applied toward the total tuition. You may add the extended day option at a later date.

PAYMENTS Initial deposit is required at registration. You will be invoiced through My School Bucks**.** Your balance may be paid in full or in five scheduled payments: 03/29, 04/12, 04/26, 05/10 and 05/24. **The total balance must be paid by May 24, 2024.**

Payment options:

- **ONLINE** Please note online payment processing fees apply. We recommend signing up for the One Pay Membership offered by My School Bucks and save in additional fees for 12 months. Please note this only applies to e-check payments. However, this benefit applies to all Community Schools and Food Services programs payments processed through My School Bucks.
- **MONEY ORDER/CHECK**: Payable to Milton Community Schools. 44 Edge Hill Rd Milton, MA 02186. Please ensure your payment is received by the due date to avoid late payment fees and cancellations. A $30.00 fee will be charged to any returned checks.

Please contact the MCS office if you have any questions: mcs@miltonps.org 617-696-5040 ext 5544

CANCELLATIONS/CHANGES/REFUNDS No changes, refunds, or credits **after May 3**. Any changes before this deadline are upon availability. Cancellations before May 3 must be requested via email to campcunningham@miltonps.org. Approved refunds minus the deposit and a $25.00 registration fee will be issued within ten business days.

FINANCIAL AID Financial aid is available for income-eligible Milton Public Schools families. A complete application and the proper proof of income documentation must be received by **April 1**. Limited funding will be distributed on a first-come, first-served basis to families who can demonstrate financial needs, are Milton residents and have children currently attending MPS. Incomplete applications will not be accepted. Late applications will be considered if funds are remaining after distribution to on-time applicants.

CAMP CU 24 F.A. APPLICATION AND GUIDELINES

STAFF

All CC staff go through a rigorous background check and interview process. Every CC employee must have a CORI/ SORI on file and provide the same health forms as our participants, as the Board of Health requires. All counselors are First Aid, CPR, and AED certified and will attend all camp-related training, including safety and health procedures.

- The camp is supervised daily by a camp supervisor and/or assistant supervisor, who have extensive training and are very experienced in working with children.
- CC counselors are fun, energetic, and creative individuals who enjoy working with children and take their mentoring role seriously.
- STEM, Arts & Crafts, Physical Activity, Literacy, & Cooking activities are prepared by specialists
- An experienced Registered Nurse will also attend during camp hours.

STAFF/CAMPERS RATIOS 1:5 for younger campers (entering 1ST grade) and 1:7 for older campers.

CC2023

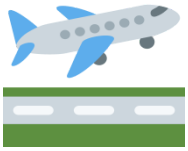

ARRIVAL AND DISMISSAL PROCEDURES

At Camp Cunningham, our priority is the safety of our campers. For that reason, we are following guidelines established by Milton Public Schools' Security Committee.

ARRIVAL POLICY:

- **Camp starts at 8:00 am**. A staff member will welcome and check in students at the door between 8:00 and 8:30 am. **Attendance is taken every day at 8:25 am**. All children are expected to be at camp according to the session(s) they are registered for unless you have notified the supervisor otherwise.
- **Check**-in: All campers must be walked and signed in to their assigned pick-up/drop-off door. **Drop-off off-site is not allowed**. Please make sure your child is checked in with a staff member when you do so; we like checking in with parents/guardians!
- **Late Arrivals:** If your child is arriving at a different time, please notify the supervisor as soon as possible. Precious time is wasted when the supervisor needs to make phone calls checking on each child who has not arrived at camp on time. Please be mindful that arriving late might affect your child's experience at camp.
- **Absences:** Please do not forget to call/text the supervisor to report absences.
- Under no circumstances children not registered will be accepted to camp
- For safety reasons, **entry to school premises is not allowed for non-authorized individuals**. Parents/guardians will be asked to remain at the assigned pick-up/drop-off areas.

DISMISSAL POLICY:

- **Regular Camp hours end at 3:00 pm**; campers will start getting ready to be dismissed at 2:45 pm. Please notify the supervisor if you plan to pick it up before 3:00 pm. Please allow enough time so we can have your child ready.
- **Extended Day Hours are from 3:00 to 5:00 pm.** You might pick up your child anytime. Camp closes at 5:00 pm.
- **No child should be picked up from a location other than the assigned pick-up/drop-off area to avoid any confusion or scary situations**.
- **Authorized designees to pick up**: Children will only be dismissed to the person designated by the parent/guardian on our records and should b**e prepared to show an ID every day.** If there is any change in pick-up arrangements, the supervisor must be notified in writing (e-mail/text) in advance.
- **For safety purposes, campers are not allowed to dismiss themselves** and walk home even with their parents' consent. We want to ensure that our campers arrive safely at their next destination.
- **Please plan to pick it up on time.** Late fees will be charged for picking up after camp hours. Chronic lateness may cause permanent dismissal from camp. The fee is $5.00 for the first 5 minutes and $2.00 per minute afterward. Fees are per child and will be invoiced via My School Bucks.
- **If we have not heard from you and cannot reach an emergency contact,** we reserve the right to call the Milton Police Department.

PROGRAM STRUCTURE

- **Campers are grouped accordingly by grade.**
- **Most of the activities will take place outdoors, weather permitting**. Please dress your child accordingly.
- **Assigned space.** Each group will be assigned to a classroom
- **All activities are being planned with safety as a priority.** We offer various activities for campers to enjoy: swimming, physical movement, arts and crafts, STEM club, cooking, free outdoor time, and more.
- **STEM & Literacy.** We feel continuous learning and reading fosters an important life skill and ensures and enhances the academic transition to the next school year.
- **Special Activities.** CC is planning fun weekly events and visits with special guests that will keep our campers engaged and safe.

OUR CAMP DAY

The schedule below is an example. A final schedule will be sent out before camp starts.

- 8:00 - Camp Arrival.
- 8:25 - Attendance
- 8:30 - Arts & Crafts
- 9:15 - Outdoor break (snack and physical movement)
- 9:30 - Literacy or STEM time
- 10:15 - Lunch and recess
- 11:00 - Swimming
- 12:30 - Cooking or reading time
- 1:15 - Gym time or outdoor play
- 2:00 - Tech time or Group activities
- 2:45 - Reading, board games, drawing
- 3:00 - Regular Camp hours end
- 3:00- 5:00 - Extended Day - Campers rotate through a variety of indoor and outdoor activity stations

FIELD TRIPS

Field trips are optional at an additional fee and on a capacity basis. Please make sure you select field trips for the sessions your child is registered for. We have added a second field trip every week to accommodate more campers. Please do not worry if your child does not participate in a field trip. We are planning special activities for our campers on-site; they will have just as much fun!

- No credits or refunds will be issued after sign-ups. Field trips are subject to change and are open to campers registered and participating in CC on the field trip date.
- Each camper registered for a field trip(s) will wear a CC T-shirt/pinny, which must be worn on all field trips.
- You will receive an itinerary schedule before each trip. All trips will depart on time and will not wait for anyone. For any unforeseen circumstances, if we need to cancel a trip, we will arrange alternate plans and issue a refund.
- Please pack lunch in disposable containers or paper bags for easy transport.
- Buses are scheduled to return to camp before or by 2:30 PM, but unforeseen traffic or bathroom stops may cause delays.
- All field trip costs are included in the fee. Please do not send money for field trips.
- Due to safety concerns, campers cannot be dropped off and/or picked up offsite during a field trip.

SWIMMING AT CUNNINGHAM PARK POND

Recreational swimming is a vital part of our daily schedule. All campers, without exception, will be going to Cunningham Park to enjoy Caldwell Pond for recreational swimming.

Camp Cunningham is subject to Christian's Law, 105CMR432.00. **Non-swimmers must wear Coast Guard-approved personal flotation devices (PFDs).** Camp Cunningham provides Coast Guard-approved PFD. You are welcome to send your own; please ensure it is properly fitted and USCG-approved.

Campers are no longer required to obtain a pond membership to attend camp!

You can still purchase a membership to access the pond outside of Camp Cunningham's hours. CUNNINGHAM PARK WEBSITE

DRESS YOUR CHILD ACCORDINGLY

On most days, campers will enjoy a variety of outdoor activities; please make sure your child wears comfortable shoes and clothing to run and play.

- **Please have your child wear camp-friendly clothing.** They will be cooking, swimming, creating art, recreating science experiments, running, playing sports, outdoors, and more…
- **For safety purposes, Flip Flops and CROCS are not allowed at camp.** These types of shoes do not allow children to run and move comfortably. We have experienced several injuries caused by the wooden chips in the playground piercing through flip-flops and CROCS very easily.
- **On swimming days, please have your child arrive in a bathing suit** (that is easy for them to change), towels, extra dry clothing, and a separate bag for wet items. Please be aware that our staff is not allowed to assist children with changing.

THINGS TO BRING TO CAMP

Please label your child's items. While we have counselors assisting, we encourage campers to be responsible for their belongings. Camp CU is not responsible for lost or stolen property brought to camp. Please bring:

- Swim Suit ON
- Backpack and an extra bag for wet clothes
- Clean/Dry Extra Clothing
- Towel for swimming
- Sunblock, hats, and clothing to protect your child from the sun
- Hand Sanitizer.
- Comfortable shoes to run
- Lunch and extra snacks (we are a nut-free camp)
- Labeled water bottle
- Books
- **A good attitude and a smile!**

LOST & FOUND

Please label your child's belongings. A lost and found bin will be placed by the pick-up area. Any unclaimed items will be donated on the last day of camp. All medications MUST be picked up at the end of your child's camp session. Any unclaimed medications will be disposed of properly at the end of camp.

THINGS TO LEAVE AT HOME

We want your child to have the best experience at CC. There is plenty of fun, engaging, and skill-building activities. Please leave it at home:

- Cell phones, tablets, smartwatches
- Handheld Electronic Games, video games, cameras
- Toys
- Trading cards
- Money
- Clothing that may be offensive to other campers and staff.

SUNSCREEN POLICY

Please provide sunscreen and apply it daily before drop off. Campers will not be allowed to share sunscreen; many children have skin sensitivities. Counselors will not be applying sunscreen. The CC nurse is available if your child needs help repeating the application. Please speak to the CC supervisor and nurse if you have any questions or concerns.

FOOD AND WATER

CC DOES NOT provide meals or snacks. We have special activities such as cooking, movies and popcorn, and celebrations where some foods/snacks might be provided. **Please inform us if your child has any allergies or dietary sensitivities.** The health and safety of your child are our priorities.

Lunch, water, and snack breaks are scheduled accordingly and as needed. Please provide your child with the following labeled items:

- **A towel to sit outside**. On some days weather permitted, we may have picnic-style lunch and snack breaks
- **Labeled water bottle.** Water fountains are available for refill.
- **Lunch and plenty of snacks**. Campers are very active throughout the day. Refrigeration to keep lunches cold will be provided. Please do not send any food that requires heating up.
- **On field trips**, please pack lunches in a plastic/paper bag and disposable containers.

CC is a NUT-FREE program (including Nutella). **There are alternatives** such as Wow butter (sunflower)

FIRE/EVACUATION DRILLS

For license purposes, fire and evacuation drills will be conducted at the beginning of each session. Please inform the supervisor if you have any questions and/or concerns.

ACCESSIBILITY & INCLUSION

Milton Community Schools (MCS) welcomes students with disabilities who will be provided an equal opportunity to participate in the Community Schools programs. All children participating in MCS programs, either with the provision of additional supports or independently, need to be able and willing to:

- **Participate in group activities.**
- **Successfully transition from one activity to another.**
- **Understand and follow program expectations and conduct themselves safely and appropriately in a group setting in accordance with the program's Behavior Policy.**

Reasonable accommodations for students with a disability may include reasonable modifications to the program's expectations, provided that the proposed accommodation does not fundamentally alter the nature of the program. If the proposed accommodation would fundamentally alter the program, MCS reserves the right to deny participation in this voluntary program. All requests for accommodation will be evaluated on a case-by-case basis. Please reach out to the Director Martha Sandoval at msandoval@miltonps.org

BEHAVIOR POLICY

Participation in the program is subject to students demonstrating good behavior; it is a privilege, not a right which can be withdrawn if not in good standing, at the discretion of the Camp Supervisor and Director.

- **Everyone wants to have fun at camp!** Sometimes, inappropriate behavior can complicate the process.
- **All campers are expected to abide by the rules of the camp**, follow the instructions given by the staff, behave in a proper manner, and be kind to other campers. The staff has the duty to take action in case of inappropriate behavior and notify the camper's parents when necessary.
- **We believe a counselor's role is to help your child grow towards self-discipline and self-direction.** We will use a cool downtime to allow the child to calm down and talk to them. A conflict resolution practice will be used if two or more children are involved.
- **In the case of a significant disruption caused by a child's behavior,** the parent/guardian will be contacted by phone and may be asked to remove the student for the remainder of the day.
- **For continued behavioral issues**, the camper may be suspended temporarily or permanently removed from the program. A child may be immediately dismissed from the program if the child's behavior is determined to be detrimental to the child or the well-being of others.
- The Community Schools Director may take further action based on the severity of the incident, including but not limited to referring to the school district superintendent. See full MCS Behavior Policy
- MPS Anti-bullying information

POSITIVE BEHAVIOR

In Community Schools we encourage positive behavior that allows for a safe environment for all campers. At Camp Cunningham, we love ending each week recognizing campers who exhibit positive behavior and great attitude!

HEALTH POLICIES

Entry to any Milton Community Schools (MCS) program is voluntary and subject to registrants and their families committing to follow all safety and health procedures established by MCS under MPS and the Department of Health (DPH) guidance. Participation is a privilege, not a right, that can be withdrawn if a violation(s) of any of the following procedures occur, putting at risk the safety and health of individuals including staff and other participants.

HEALTH RECORDS

Every camper and full-time staff person shall, before attending or after receiving a conditional offer of employment from a residential, travel, sports, or trip camp, furnish to the camp the following, **prepared and signed by a licensed health care provider:**

- Campers must submit a Board of Health-approved medical form signed by the camper's physician and parents/guardians.
- A **current medical history that lists allergies, required medications, and any health conditions or impairments** that may affect the individual's activities while attending the camp;
- A report of a **physical examination conducted during the preceding 18 months**; and
- A **certificate of immunization**

Completed forms must be returned to MCS by **May 24**. Campers without the proper forms and documentation are not allowed in camp. If you would like to request hard copies, please email us at mcs@miltonps.org, and the forms will be mailed to your address.

SICK CAMPERS – COMMUNICABLE DISEASES POLICY

DPH- Reportable Diseases and Isolation and Quarantine Requirements. You can access the complete list here 105 CMR 300.000

- Please do not send your child to camp when they are sick. Children who have been sick and are on antibiotics will need to be on them for 24 hrs. before returning to camp.
- Exclusion policy for serious illnesses, contagious disease, reportable diseases to the Board of Health Policies areas developed by Milton Public Schools.
- Children who are determined to be seriously ill or who have communicable diseases will not be allowed to participate. Reportable diseases will be reported to the Milton Board of Health by the Camp Cunningham Nurse. Such report will include the name and home address of any individual in the camp known to have or suspected of having such disease. Until action on such case has been taken by the camp health care consultant, strict isolation will be maintained.

COVID-19 PROCEDURES AND POLICIES

At CC the safety and health of our campers and staff is our main concern. CC will adhere to the Board of Health and Milton Public Schools' most current safety and health policies. A registered nurse will be available every day during camp hours.

Meningococcal Disease and Camp Attendees: Commonly Asked Questions

What is meningococcal disease?
Meningococcal disease is caused by infection with bacteria called *Neisseria meningitidis*. These bacteria can infect the tissue (the "meninges") that surrounds the brain and spinal cord and cause meningitis, or they may infect the blood or other organs of the body. Symptoms of meningococcal disease may appear suddenly. Fever, severe and constant headache, stiff neck or neck pain, nausea and vomiting, and rash can all be signs of meningococcal disease. Changes in behavior such as confusion, sleepiness, and trouble waking up can also be important symptoms. In the US, about 350-550 people get meningococcal disease each year and 10-15% die despite receiving antibiotic treatment. Of those who survive, about 10-20% may lose limbs, become hard of hearing or deaf, have problems with their nervous system, including long term neurologic problems, or have seizures or strokes. Less common presentations include pneumonia and arthritis.

How is meningococcal disease spread?
These bacteria are passed from person-to-person through saliva (spit). You must be in close contact with an infected person's saliva in order for the bacteria to spread. Close contact includes activities such as kissing, sharing water bottles, sharing eating/drinking utensils or sharing cigarettes with someone who is infected; or being within 3-6 feet of someone who is infected and is coughing and sneezing.

Who is most at risk for getting meningococcal disease?
People who travel to certain parts of the world where the disease is very common, microbiologists, people with HIV infection and those exposed to meningococcal disease during an outbreak are at risk for meningococcal disease. Children and adults with damaged or removed spleens or persistent complement component deficiency (an inherited immune disorder) are at risk. Adolescents, and people who live in certain settings such as college freshmen living in dormitories and military recruits are at greater risk of disease from some of the serotypes.

Are camp attendees at increased risk for meningococcal disease?
Children attending day or residential camps are **not** considered to be at an increased risk for meningococcal disease because of their participation.

Is there a vaccine against meningococcal disease?
Yes, there are 2 different meningococcal vaccines. Quadrivalent meningococcal conjugate vaccine (Menactra and Menveo) protects against 4 serotypes (A, C, W and Y) of meningococcal disease. Meningococcal serogroup B vaccine (Bexsero and Trumenba) protects against serogroup B meningococcal disease, for age 10 and older.

Should my child or adolescent receive meningococcal vaccine?
That depends. Meningococcal conjugate vaccine is routinely recommended at age 11-12 years with a booster at age 16. In addition, these vaccines may be recommended for children with certain high-risk health conditions, such as those described above. Otherwise, meningococcal vaccine is **not** recommended for attendance at camps.

Meningococcal serogroup B vaccine (Bexsero and Trumenba) is recommended for people with certain relatively rare high-risk health conditions (examples: persons with a damaged spleen or whose spleen has been removed, those with persistent complement component deficiency (an inherited disorder), and people who may have been exposed during an outbreak). Adolescents and young adults (16 through 23 years of age) who do not have high risk conditions may be vaccinated with a serogroup B meningococcal vaccine, preferably at 16 through 18 years of age, to provide short term protection for most strains of serogroup B meningococcal disease. Parents of adolescents and children who are at higher risk of infection, because of certain medical conditions or other circumstances, should discuss vaccination with their child's healthcare provider.

How can I protect my child or adolescent from getting meningococcal disease?

The best protection against meningococcal disease and many other infectious diseases is thorough and frequent handwashing, respiratory hygiene and cough etiquette. Individuals should:

1. wash their hands often, especially after using the toilet and before eating or preparing food (hands should be washed with soap and water or an alcohol-based hand gel or rub may be used if hands are not visibly dirty);
2. cover their nose and mouth with a tissue when coughing or sneezing and discard the tissue in a trash can; or if they don't have a tissue, cough or sneeze into their upper sleeve.
3. not share food, drinks or eating utensils with other people, especially if they are ill.
4. contact their healthcare provider immediately if they have symptoms of meningococcal disease.

If your child is exposed to someone with meningococcal disease, antibiotics may be recommended to keep your child from getting sick.

You can obtain more information about meningococcal disease or vaccination from your healthcare provider, your local Board of Health (listed in the phone book under government), or the Massachusetts Department of Public Health Divisions of Epidemiology and Immunization at (617) 983-6800 or on the MDPH website at www.mass.gov/dph.

Provided by the Massachusetts Department of Public Health in accordance with M.G.L. c.111, s.219 and 105 CMR 430.157(C). Reviewed September 2020
Massachusetts Department of Public Health, Divisions of Epidemiology and Immunization, 305 South Street, Jamaica Plain, MA 02130

MEDICATION ADMINISTRATION POLICY

If your child requires medication during camp hours, including emergency medications such as inhalers and epi-pens you must provide us with the information below.

- **Written order form from a licensed health care provider**
  - Child's Name
  - Diagnosis
  - Name of drug, dosage, frequency, time, route of administration, specific instructions
  - Date of order and discontinuation date
  - For short-term prescriptions (10 days or less) a pharmacy labeled container may be used instead of a written order.
- **Written authorization from parent/guardian can be found here:** Medication Administration Consent MCS
  - Emergency contact person and telephone number
  - List of medications the child is currently receiving
  - Known allergies to food or medication

A signed consent to administer medications form from the parents and physician must be on file before any medication is administered. We cannot administer any medication without a medication consent form on file signed by your child's physician.

***NOTE**: Campers with prescribed medication such as inhalers, epi-pens, and any emergency meds, MUST have NON-EXPIRED medication, consent, and the complete information above to be able to participate. Please understand the health and safety of your child are our concerns. Milton Community Schools reserves the right to deny access to this voluntary program.*

COMMUNICATION

Families will receive weekly newsletters every Wednesday with highlights and important information about the camp. Don't forget to check out pictures and campers of the week!

Please check the MCS website and Newsletter Board for updates and upcoming events.
