Hello Alexander,

It has been nearly a week since our Earned Income Tax levy was put in front of voters. In most instances, the results are immediate. Ours, as in past elections, still is undecided because the result is so close, and now the provisional ballots must be processed. I cannot explain the empty feeling of not knowing, but I think that it is being felt by many in our community.

From what I understand, we will know the result on the 18th of November. Provisional ballots give us a chance of receiving good news about our levy, so there is still hope. Apparently, there are approximately 80 provisional ballots that must be ratified. These things take time, and they should take time, because it is a very important issue that leaves a great deal hanging in the balance. So we will just have to wait.

While we are waiting, I want to take the opportunity to thank our levy committee and our community. Regardless of the result, I could not be more proud of the work that was done to promote our levy. Countless hours were spent working to make connections, spread information, answer questions and dispel misinformation. Finding the proper words and tone to express the gratitude of our staff, school board, community and all of those with a history and strong relationship with Alexander is impossible. Your efforts were relentless and on point. It is clear that we would not have stood a chance without you. THANK YOU!

We obviously will need to wait a little longer for the final results, but, while we wait, let's all try to enjoy the satisfaction of a job done extremely well and one which is appreciated by us all.

Sincerely,

William Hampton
Superintendent
Alexander Local Schools
