October 15 & 16-	Educational Conventions
November 25-27	Thanksgiving Break

Early Outs- 1:00 PM

November 19- Parent /Teacher Conf. (1:15-7:00)

Celebrating 3 Huntley Project Retirees

During the 2026–27 school year, Huntley Project will thank three longtime members of our school family as Jeanette Manternach, Chris Geck, and Rick Dees retire.

Jeanette Manternach will be the first, retiring in October after nine years with the District. Jeanette has served Huntley Project through both food service and custodial work. Those are jobs that do not always get a lot of attention, but schools simply do not function without good people doing them well. Jeanette has been dependable, hardworking, and willing to help wherever needed. We sincerely appreciate everything she has done for our students, staff, and District.

Chris Geck will retire in May 2027 after 28 years of service to Huntley Project. Chris has taught for 37 years overall but decided to return to the Project in 1999. She has served our students in the classroom, through Title I, and as a coach. She is also an HP graduate, so her connection to this school goes well beyond a job. Chris has always carried a tremendous amount of Red Devil pride and has impacted generations of students and families. Twenty-seven years is a long time to give to one school, and we are fortunate she chose to give those years to Huntley Project.

Rick Dees will also retire in May 2027, wrapping up 34 years of teaching science at Huntley Project. Rick has taught everything from Physics and Chemistry to Anatomy and Earth Science, which means he has spent a lot of years trying to convince teenagers that science really does matter. Rick has always brought knowledge, experience, humor, and makes connections to students part of every day. He has cared deeply about Huntley Project and has never been afraid to ask questions or push us to be better.

Huntley Project has been fortunate to have three good people who have given a lot of themselves to our students, staff, and community.

Jeanette, Chris, and Rick have each served HP in very different ways, but all three have left this place better than they found it. That is about the best compliment you can give anyone.

We thank them for their service, wish them the very best in retirement, and remind them that retirement does not mean they are completely off the hook. Once a Red Devil, always a Red Devil.

SUPPORT OF STOCKMAN BANK & NEMONT

The Huntley Project School District is grateful for the continued support of Stockman Bank and Nemont. Both organizations have supported our students, programs, facilities, and activities over the years.

As a thank-you, Stockman Bank and Nemont employees receive free admission to Huntley Project home events. This year, both organizations also helped provide free meals during Homecoming Week, adding another great example of their commitment to our school community.

Another example of that support is in our gymnasium. Thanks to a generous donation from West Range Ventures, Huntley Project has an interactive scorer's table that allows us to recognize and highlight the many local businesses and organizations that support our District.

We are fortunate to live in a community that continues to step up for our students and schools. Thank you to Stockman Bank, Nemont, West Range Ventures, and all of our community partners for your continued generosity and support of Huntley Project.

RED RIBBON WEEK OCTOBER 26-29

Red Ribbon Week is the nation's oldest and largest drug prevention program, reaching millions of Americans during the last week of October every year. By wearing red ribbons and participating in community anti-drug events, young people pledge to live a drug-free life and pay tribute to DEA Special Agent Enriqué "Kiki" Camarena. Red Ribbon Week was first recognized nationally in 1988.

What is expected of individuals who commit to the Red Ribbon Pledge? Adults and students will follow all laws governing alcohol, tobacco, and drugs, whether the substance is legal or illegal. The Huntley Project K-6 Will have a weeklong dress-up and support the Red Ribbon Week celebration. The dress-up days for K-12 include:

Monday - Kickoff to Red Ribbon Week (Wear Red Day)

Tuesday - Head to Toe Drug Free (Crazy Hair and Silly Socks)

Wednesday - Team Up Against Drugs (Favorite Jersey)

Thursday - Say BOO to Drugs (Halloween costume)

P.O. BOX 1 - Worden, MT 59088

Thank you for being a part of the Huntley Project Community! The Project Booster Club was reestablished in 2023 to help financially support the activities & athletics programs of Huntley Project Schools. In our second year supporting activities at HP, we gave back to Huntley Project schools & community in several ways. We helped at the annual HP golf scramble, worked concessions, ran the bingo booth at Homesteader Days, hosted a bingo night at Rhoadside Event Center, and sold black-out shirts. Thanks to members & sponsors, we have donated over $50,000 back to HP school district activities & athletic programs since restarting up over the last two years!

Project Booster Club is getting set for the next school year of supporting Huntley Project activities. As a registered 501(c)(3) organization, your sponsorship contribution to us is tax-deductible. We appreciate your commitment to our community and hope we can count on YOU to become a sponsor and/or member in the upcoming school year.

Please fill out and return the included form as soon as possible to take advantage of the benefits that come with each sponsorship level. Please consider joining us at our next meeting on Wednesday, October 7TH at 6:30 pm in the NEW CoBank/YVEC Community Room in the new multipurpose building. If you have any questions, you can email us at projectboosterclub@gmail.com or call any board member listed below.

With gratitude for your support,
Project Booster Club Board Members

President - Nick Christman 406-690-6690
Vice President - Mikel Sherman 406-698-6382

Counselor's Corner–October 2026

"When you judge another, you do not define them, you define yourself." Wayne Dyer

Here we are at the start of another school year, and…so far, so good!

October is a busy month for our high school seniors. The first week of October is College Application Week. More information is listed belo6. It is also the perfect month to begin the FAFSA application process by applying for your FSA ID. The FAFSA application is free! If you have any questions or need assistance with FAFSA, please reach out to the counseling office.

Scholarships: Please see the list below or visit the Class of 2027 Google Classroom to see information regarding scholarships, etc. I will also keep a current list of available scholarships in my office.
If you have any questions or concerns, please contact me in the high school counseling office at (406) 967-2540 x263 or rnay@huntley.k12.mt.us

College Application Week

Attention seniors! College Application Week is here! Colleges are either deferring or waiving their application fees from October 5-16. Mrs. Nay will have a "college application day" on Tuesday, October 6th during one of their class periods to help students fill out applications.

Scholarships/Award Opportunities

Please visit with Becky Nay for more information/details about scholarships listed below. Also, visit the Class of 2027 Google Classroom for additional information**.**

2026 U.S. Senate Youth Scholarship Program
*Montana Office of Public Instruction has made changes to the scholarship selection process. Two students from Montana will be selected to receive a $10,000 scholarship each and will be chosen to participate in the online program during March 4th-11th, 2027, in order to receive this scholarship. Visit https://ussenateyouth.org/ for more information regarding the U.S. Senate Youth Scholarship Program. The deadline for receipt of applications to the OPI is **October 9, 2026.**

Coca-Cola Scholars Program--$20,000--150 Awards
Qualifications: current high school (or home-schooled) student who will graduate in 2025. Be a U.S. Citizen, etc. **Deadline: October 31, 2026**
https://studentscholarships.org/scholarship/8843/coca_cola_scholars_program_scholarship.php

VFW - The Voices of Democracy Scholarship
Open to 9th-12th graders. Students must record a 3-5 minute speech based upon the theme of **"What a Veteran Taught Me About America."** *Forms are available for students in the Counseling Office. Please see Mr. Wandle or Mrs. Nay for details.* ***Due October 31, 2026.***

Pursuing a Positive Impact Scholarship--$3,000--1 Award
Qualifications: have a minimum cumulative GPA of 3.0 or higher and submit a 1,000-word essay response to the prompt: In what ways do you try to activate positive change in your community, and what inspires you to do so? **Deadline: October 31, 2026**
https://studentscholarships.org/scholarship/16264/pursuing_a_positive_impact_scholarship_scholarship.php

Elks National Foundation - Most Valuable Student Scholarship
Eligibility – Any high school senior who is a U.S. citizen may apply. Applications will be judged on scholarship, leadership, and financial need. Applications are available online at https://www.elks.org/scholars/scholarships/mvs.cfm. **Application deadline is November 12, 2026.**

The Hagen Scholarship: The Hagan Scholarship is a nationwide need-based merit scholarship, designed to provide each recipient with the opportunity to Graduate College Debt-Free. Recipients of a Hagan Scholarship will graduate from an Eligible Public High School located in a county having fewer than 50,000 residents or from a remote rural public high school located in a larger county. There is NO Application Fee. The deadline to apply is **5:00pm CST December 1, 2026.** For more information, go to https://haganscholarships.org/

The Horatio Alger Association of Distinguished Americans, Inc.
The Horatio Alger Association has awarded over $125 million in college scholarships to deserving students. Scholarships range from $6,000 to $25,000. Eligibility criteria include: high school graduation in spring/summer, demonstrated critical financial need ($55,000 or lower adjusted gross family income), and United States citizenship. Students may apply online at www.scholars.horatioalger.org

September 16, 2026

Dear Parent/Guardian:

Huntley Project is preparing for the *Montana Aligned to Standards Through-Year (MAST) assessment* through the Montana Office of Public Instruction. Students in Grades 3-8 will take Math and English Language Arts (ELA) assessments in 3 administration windows as indicated in the chart:

	Window 1	Window 2	Window 3	
	October 19 – December 11 (8 weeks)	January 11 – March 5 (8 weeks)	March 29 – May 21 (8 weeks)	
Math	3-5 Testlets	3-5 Testlets	3-5 Testlets	1 Math Anchor Test
ELA	2 BOY Testlets	2 MOY Testlet 1 Performance Task Testlet	2 EOY Testlets	

**The actual number of math testlets your child(ren) takes each testing window will be contingent on your district's local curriculum sequence.*

What is the purpose of the MAST assessment?
The Montana OPI in partnership with New Meridian has developed an improved assessment system that will accurately reflect the needs of our students, teachers, and administrators while providing useful flexibility in terms of test administration. The MAST Assessment implements through-year assessments across the state that satisfy federal testing requirements and better aligns assessment with instruction.

The ultimate goal with the through-year model is to support teaching and learning needs. Rather than a single end-of- year assessment, the MAST assessment is broken up into smaller testlets over the course of the academic year. This through-year assessment design aligns assessment more closely with instruction while providing actionable data throughout the school year.

This through-year assessment provides critical information about student learning, but no single assessment should ever be the sole factor in making an educational decision. It is important to remember that assessments provide only one measure of student learning, but when combined with grades, classroom activities, unit quizzes and tests, and district-level assessments, the results of statewide assessments can help provide a complete picture of your child's abilities over the course of the school year and path toward academic success on Montana's content standards.

Details about the 2026-2027 administration:

- **Participants**: 3-8 Grades Math and ELA
- **Administrations**: 3 administration windows throughout the year
- **Total Estimated Testing Time:** 15-30 minutes per testlet
- **Technology**: Computer-based test delivery via secure site
- **Reports:** Educators and school leaders can access student testlet and summative reports after administration. Individual student testlet reports will provide results from each testlet and will be made available to parents/guardians after finalization. These reports will be sent home with other reports.
- Individual through-year (summative) reports will provide the final determination of student achievement based on all testlets completed throughout the school year and will be made available to parents/guardians after finalization and delivered home with the grade reports. Copies can be printed for pickup by request.

Here are some things to note about the MAST test:

- Your child's privacy will be protected. State and federal laws, such as the Family Educational Rights and Privacy Act (FERPA), ensure these data remain confidential.
- Students with Individual Educational Plans (IEPs), Section 504 plans, or English Learner plans will be assessed based on individual student needs, consistent with all state and federal laws and regulations.

Here are some things you can do to help:

- Encourage your child to do their very best on everything they do in school, including the MAST assessment.
- Make sure he or she gets plenty of sleep the night before each test and has a healthy breakfast.
- Support your child by explaining the purpose of the tests and helping with homework and test reviews.

Learn More:

To learn more about this initiative navigate to the Montana OPI MAST webpage. New Meridian is a nonprofit organization that creates high-quality, innovative assessment solutions focused on the skills that matter most for success in school and in life. You can learn more about New Meridian here. You can find Parent MAST resources on the MAST Portal under *Parent & Family Resources*.

We appreciate your partnership in helping Huntley Project School District fulfill state and federal requirements for statewide assessments and support your child in doing his/her best.

Please contact us with any questions you may have about MAST. Questions may be directed to Ben Lambert, K–4 Principal, or Sam Lambert, 5–8 Principal, at 406-967-2540. Ben can be reached at extension 150 and Sam at extension 251.

Sincerely,

Mark Wandle
Huntley Project School District Superintendent

PACK THE PROJECT IN PINK

Huntley Project High School

Thursday Oct 22nd

C-squad starts @ 4:30

Huntley Project

vs.

Joliet

*Buy a Pack the Place in Pink T-shirt for **$20.00** and get into the volleyball game for free.*

The Huntley Project community has had family members or friends diagnosed with breast cancer. In March 2011, our HP volleyball coach, Iona Stookey, was diagnosed with breast cancer. Thus, we decided to have and support "Pack the Place in Pink".

The mission of Pack the Place in Pink is to help breast cancer patients. A portion of our aid goes to Susan G. Komen for breast cancer research. However, PPP's main objective is to help local, Montana breast cancer patients. We are a Montana project working to support breast cancer patients in Montana, providing them with financial assistance in all our local communities.

Deadline is October 14TH

The Facts About Bullying

Mental Health Series

4 Types of Bullying

Bullying is harming, intimidating, or coercing someone perceived as vulnerable, including physical, relational, verbal, and cyberbullying. While schools address it, parents are key to prevention. Take action by notifying the school, documenting incidents, monitoring emotional health, and escalating concerns if bullying is severe, regular, or affects education.

PHYSICAL

Physical bullying involves physical intimidation such as hitting, kicking, pushing, or unwanted touching. Children don't always tell their parents, so watch for unexplained injuries, damaged clothes, or frequent complaints of headaches or stomach aches.

CYBERBULLYING

Cyberbullying happens online through hurtful posts, rumors, or false information that can cause humiliation. It can occur 24/7 with no relief, with lasting public effects that harm reputation and future opportunities. Cyberbullying is also hard to detect since adults often don't see or hear it happening.

RELATIONAL

Relational bullying involves exclusion - blocking someone from groups, games, or activities. Watch for mood changes in your child, withdrawing from peer groups, and increased isolation in your child.

VERBAL

Verbal bullying involves name calling, threats, or disrespect based on appearance, ethnicity, religion, disability, sexual orientation, etc. Parents can help empower their child by teaching them self-respect and confidence, and firm responses like "That wasn't nice." "Leave me alone." or "Back off."

COOK CENTER For Human Connection
Parent Guidance.org

What Kids Can Do

Treat everyone with respect - Teaching kids to respect others reduces bullying.

Stop and think - It is important for kids to know what they say or do could hurt someone's feelings.

Divert mean energy - If you feel like being mean, channel it into exercise, biking, or talking to a friend.

Talk to an adult you trust - Having a trusting adult helps kids find support and new ways to be kind.

Remember everyone is different - Bullying often focuses on someone's differences and uses that difference to put down or intimidate another person. Children need to know that everyone is different in some way and it is important to look for good qualities in everyone they meet.

Apologize if you have bullied someone in the past - If you have bullied someone in the past, take the time to apologize, this helps you and the person that was bullied.

Stand up for Others - When you see bullying, tell an adult, be kind, and include the person being bullied. Show them you care.

What Teens Can Do

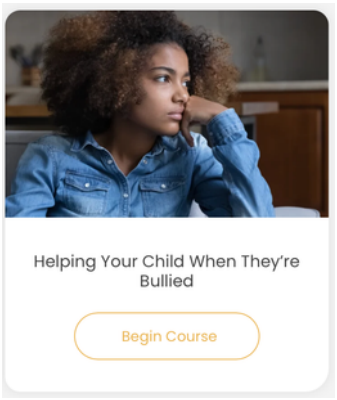

Bullying stops us from being who we are and how we express ourselves. If you are bullied, say something! Bullying is not acceptable and needs immediate action.

Speak Up/Tell an adult - If someone's actions or words make you uncomfortable, tell an adult early to prevent things from getting worse.

Stay Respectful - Understand what bullying is. It doesn't have to get worse before you act. Staying calm and respectful helps you handle the situation better.

Don't be a bystander - If a friend or someone you know is bullied, don't ignore it. Reach out to an adult to help.

Get Help - If you need support or are at risk, get help now! Call 988.

Take a no-cost course at ParentGuidance.org

This course covers bullying, prevention, treatment, and supporting your child.

Potatoes are this month's Harvest of the Month. Did you know…

- Potatoes are in the vegetable food group.
- The average American eats about 124 pounds of potatoes per year.
- Thomas Jefferson gets the credit for introducing "french fries" to America when he served them at a White House dinner.

To learn more about Montana Harvest of the Month visit:

UPCOMING FUNDRAISERS

OCTOBER

JOIN THE FUN WITH HP PTA'S "YOU'VE BEEN BOO'D"!

NOVEMBER

LOOK FOR US AT THE PARENT-TEACHER CONFERENCE:

- BOOK FAIR
- BAKE SALE
- DEVIL GEAR SALE

DEVIL GEAR

We're on a mission to hit up at least one game for every sport and show off our Devil gear!

We had an absolute blast at the Homecoming Football Game—selling gear and soaking up the spirit!

Got any cool ideas for Devil Gear you'd like to see next? Shoot us an email!

Veterans Day 2026

Huntley Project is proud to continue one of our community's great traditions with the Annual Veterans Day Parade and Remembrance Assembly on Wednesday, November 11, 2026. For 54 years, this has been more than just a school event. It is a Huntley Project tradition and an opportunity for generations of our community to come together, say thank you, and make sure our Veterans know their service and sacrifice are never forgotten. This tradition says a lot about Huntley Project and the respect our community has for those who have worn the uniform.

We are still finalizing a few scheduling details, but we currently anticipate the parade beginning at approximately 1:30 PM. We will announce the official time as soon as those details are finalized.

New this year, community Veterans Day T-shirt order forms will be available soon. Proceeds from the community shirt sales will help offset the cost of shirts for our students and staff, while also giving everyone in the community another way to participate and show their support for our Veterans.

Following the parade, our 5th and 6th grade musicians will perform throughout the remembrance assembly. We are proud to have our students play an important role in honoring our Veterans through music, reflection, and gratitude.

If you are a veteran, family member, community organization, or anyone interested in participating in the parade or assembly, we would love to have you involved. Please contact Adam Tunnell, K–6 Music Teacher, at atunnell@huntley.k12.mt.us.

We look forward to another great day of honoring our Veterans and showing what Huntley Project and remembering those who have served something bigger than themselves.
