**COMMENTS AND NOTES:**

|                                        |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |
|----------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Program Description</b>             | The Certificate of Proficiency (CP) program is designed to prepare students for entry-level positions in automotive servicing, maintenance, and diagnostics. The National Automotive Technicians Education Foundation (NATEF), a nationally recognized automotive education organization, accredits the automotive program. The automotive program instructors are certified by the National Institute for Automotive Service Excellence (ASE). Graduates will possess the minimum skills required to enter the workforce as entry-level automotive service technicians. |
| <b>Program Requirements</b>            | 16 credit hours                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |
| <b>Career Opportunities</b>            | Graduates may find entry-level positions in automobile dealerships, independent service centers, specialty shops, and related automotive facilities.                                                                                                                                                                                                                                                                                                                                                                                                                     |
| <b>Transfer Paths and Requirements</b> |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |

|--------------------------------------|-----------------------------|-------------------|---------------------------------|-------------------------------------------|
| F - Only offered in Fall semester    | O – Only offered Online     | T - Transfer      | CP – Certificate of Proficiency | AA – Associate of Arts Degree             |
| S – Only offered in Spring semester  | P – Prerequisite to Program | * Critical Course | TC – Technical Certificate      | AS – Associate of Science Degree          |
| SU – Only offered in Summer semester | SUB - Substitution          |                   |                                 | AAS – Associate of Applied Science Degree |

**REMEDIATION REQUIREMENTS:**

Current course placement requirements and applicable remediation can be found in the college catalog.

I understand that when seeking a credential, I may be required to enroll in remediation / co-requisite lab courses as a result of my test scores in compliance with Arkansas Law, Act 1052, which may take additional semesters for successful completion.
