Celebrating IC: Faith, Scholarship, Kindness, & Service

Dear IC Family,

The week of January 24- January 31, we will launch our annual observance of Catholic Schools Week. Catholic Schools Week (CSW) is an annual celebration of our Catholic Schools. It will be filled with many activities for our students to celebrate the core values we teach every day.

Our parents are the first educators to our students. We are honored you have chosen us to help you educate your child. Catholic Schools Week is a great opportunity for you to visit, invite community members to visit, encourage others to consider IC, and to see the investment you made for your child to have a Catholic education. We are proud of our students, staff, families, and school and want to share what we do for kids every day.

Our IC Development Board has planned a fun evening on **Saturday, Jan. 24** at Wrightz Auction to support our school. "Back to the 90's" will be from 5:00 p.m. - 11:00 p.m. with dinner by Ginger's Top Shelf, live music by TB Continued Entertainment, and a silent & live auction. Tickets are \$50 per person (meal included). Tickets are available at the church and school offices or from any IC Development Board member.

IC School has planned some wonderful events to celebrate Catholic Schools Week. Please gather your family and join in the celebration of our kick-off student-led mass at 10:30 a.m. on Sunday, Jan. 25.

Let's FILL THE CHURCH!

Please join me in saying thank you to our teachers, staff, administrators, board members, volunteers, parishioners, Father Tom, and all others involved in running Immaculate Conception Catholic School. Through their dedication and commitment, they make our school an excellent example of how Catholic schools provide life-long learning and the love of a relationship with Christ.

Blessings,
Mrs. Laurie Field
Principal

Family Support:

Every year during Catholic Schools Week, we celebrate IC with a birthday party. We traditionally put out a list for donations that can be given as 'birthday' gifts for classrooms, programs, office, etc. Generally these items are separated by teacher but this year we have decided it is easiest to create one list as teachers often have duplicates on their own. These items can be donated to a certain classroom or to the school in general to share among the classrooms.

Dear Parents,

We are excited to start our Catholic Schools Week celebration with our students leading 10:30 a.m. mass on Sunday, January 25, 2026. Thank you for encouraging your child to participate in this mass and allow our parish members to see our faith in practice in our students. If your child would like to participate and is unsure if they would be able to read in front of our parish, we encourage you as parents, to read with them or offer your participation in the mass.

All students that volunteer may arrive at 10:10 a.m. to help greet parish members as they arrive for mass and be there no later than 10:25 a.m. We will greet them with 'Good Morning', 'Thank you for coming', and hold the doors for them. We will then go and sit at the front of the church to begin mass. After mass, the students will help pass out our gift to the parish members at the doors as they leave.

Please return this form by Friday, January 16, 2026 to the office or sign up through the link here: <https://forms.gle/r1dAFiUgFaq5bftj7>

Thank you for sharing your children with us at IC School. If you have any questions or concerns please contact me by phone or email: 641-228-1225 or laurie.field@iccharlescivity.org

Blessings,

Mrs. L. Field
