The April 13, 2015 Planning Board hearing was conducted by Gary Tondorf-Dick, Sarah Corey, Judy Sneath and Walter Sullivan, and the June 8, 2015 hearing was conducted by Sarah Corey, Judy Sneath, Walter Sullivan and William Ramsey. Rizzo appeared on behalf of Hingham Youth Football. Police Chief Peraino was present at the meeting of April 13, and, Chief Olsson was present at the June 8, 2015 hearing.

DISCUSSION AND FINDINGS

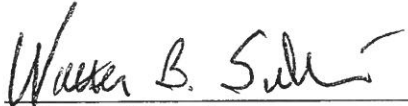

Mr. Estes presented the application to the Board at the April 13, 2015 hearing, explaining the proposed changes to the use schedule were intended to extend the time that the lights could be on in the evening, increase the number of evenings that amplified sound was allowed and the end time for sound in the evening, enable Hingham Youth Football to do play by play announcing, and include dance programs/cheer programs into the halftime shows of some Hingham High School sporting events. Subsequent to the April 13, 2015 Board meeting, the School Committee held multiple meetings in order to review the proposed changes with the abutters and general public, and submitted requested modifications to the usage policy and large parking event policy. The Board also received correspondence from the Hingham Police Department regarding the large event parking policy, and from residents both in support and opposition to aspects of the revised usage policy. After presentation and review of the proposed usage and event parking policies, the Board found that the proposed changes for Hingham Public Schools use of the lights and sound at the multi-purpose field and the proposed modifications to the large event parking policy were reasonable under the Dover Amendment, and that the proposed changes to use of the multi-purpose field by Hingham Youth Football were also reasonable.

VOTE AND CONDITIONS

It was Moved, Seconded and SO VOTED to modify the Site Plan Notice of Decision for the Hingham High School Athletic Complex Renovations Phase II, dated March 11, 2013 ("Original Decision"), as amended by Amendment to Notice of Decision, dated March 26, 2013; July 15, 2013; September 12, 2013; and October 8, 2013, as follows:
