We are sending this letter home in an attempt to get the word out and not miss anyone who may need help at Christmas time this year. Highmore-Harrold FCCLA is continuing its tradition of caring this year with the 19th annual Angel Tree. The angel tree serves the purpose of providing Christmas gifts to **deserving children** in the Highmore & Harrold communities who may **need a little something extra** at Christmas time. It is completely optional to take advantage of the Angel Tree, please read the form for more information. The Angel Tree is extremely confidential and each child will be assigned a number so that the only person to know the names of the children will be the FCCLA Adviser, Alana Kroeplin.

Forms may be completed by families or if you would like to be the contact person for a child you know, that is great too. If you need additional forms extra copies will be in the school offices, available on the school website, can be emailed out as well, or accessed through the link on the application.

*Please remember, the Angel Tree is meant to help **children and families in need** so please keep that in mind when nominating children.* We ask that expensive items, such as ipads, game consoles, etc., not be requested. The Angel Tree is intended for children ages 0-18.

*Children nominated for the Angel Tree must **either attend the Highmore-Harrold School District or be PRE-SCHOOL age and younger** and live in the Highmore-Harrold Communities. (Ages 0-18 may apply)*

Please put a working email on the form as we will send a receipt email once application is received. Have a very MERRY CHRISTMAS and HAPPY HOLIDAYS! Please return the form to the classroom teacher or Mrs. Kroeplin (or fill out the online application) by Wednesday, November 18.
