Principal's Message

I'd like to welcome you to Victoria Groves Elementary School's Annual School Accountability Report Card. In accordance with Proposition 98, every school in California is required to issue an annual School Accountability Report Card that fulfills state and federal disclosure requirements. Parents will find valuable information about our academic achievement, professional staff, curricular programs, instructional materials, safety procedures, classroom environment, and condition of facilities.

Victoria Groves was recognized as a 2024-2025 Educational Results Partnership (ERP) Honor Roll School for our high achievement in student success. The ERP Honor Roll program, sponsored by the Campaign for Business and Education Excellence (CBEE), is part of a national effort to identify higher-performing schools and districts that are improving student outcomes. Victoria Groves was one of 1,834 public schools in California to be recognized. Our school stands above others in the state because of our demonstrated ability to get students to grade-level achievement and beyond. We are honored to receive this award and thankful for the hard work of our students, teachers, and families.

Victoria Groves also received the 2024-25 California Distinguished School award from the California Department of Education for outstanding academic achievement and progress, and the 2024-25 Platinum PBIS (Positive Behavioral Interventions and Supports) award from California PBIS for demonstrating exemplary and high-fidelity implementation of PBIS compared to other schools.

Victoria Groves Elementary School provides a warm, stimulating environment where students are actively involved in learning academics as well as preparing them for career and college readiness. Students receive a standards-based, challenging curriculum by dedicated professional staff and based on the individual needs of the students. Ongoing evaluation of student progress and achievement helps us refine the instructional program so students can achieve academic proficiency.

We have made a commitment to provide the best educational program possible for Victoria Groves Elementary School's students, and welcome any suggestions or questions you may have about the information contained in this report or about the school. Together, through our hard work, our students will be challenged to reach their maximum potential.

Mission Statement

At Victoria Groves, we are here for the children. We are committed to preparing our students to be life-long learners by providing a safe and enriched environment that fosters the academic excellence and responsible citizenship needed for tomorrow's ever-changing world.

School Profile

Victoria Groves Elementary School is located in the central region of Alta Loma and serves students in grades transitional kindergarten through six following a traditional calendar. At the beginning of the 2024-25 school year, 452 students were enrolled, including 15.7% in special education, 7.5% English Learners, 0.7% foster youth, 0.9% homeless youth, and 41.6% socioeconomically disadvantaged.

Local Control Accountability Plan (LCAP)

As part of the new Local Control Funding Formula, school districts are required to develop, adopt, and annually update a three-year Local Control and Accountability Plan (LCAP). The following components of this SARC address some of the priorities identified in the District's LCAP:

Conditions of Learning (Basic Services) – State Priority 1: Degree to which teachers are appropriately assigned and fully credentialed in the subject areas and for the pupils they are teaching; pupils have access to standards-aligned instructional materials and school facilities are maintained in good repair. Covered in Teacher Preparation and Placement, including the Teacher Credentials & Misassignments chart; Instructional Materials, including the Textbooks chart; and School Facilities & Maintenance, including the Campus Description and School Facility Good Repair Status charts.

Conditions of Learning (Implementation of State Standards) – State Priority 2: Implementation of academic content and performance standards adopted by the state board for all pupils. Not covered in the School Accountability Report Card.

Parental Involvement – State Priority 3: Efforts to seek parent input in decision making, promotion of parent participation in programs for unduplicated pupils and special need subgroups. Covered in Parent Involvement.

Pupil Achievement – State Priority 4: Performance on standardized tests, score on Academic Performance Index, share of pupils that are college and career ready, share of English learners that become English proficient, English learner reclassification rate, share of pupils that pass Advanced Placement exams with a 3 or higher, and share of pupils determined prepared for college by the Early Assessment Program. Covered in California Assessment of Student Performance and Progress, including the CAASPP charts.

Engagement (Pupil Engagement) – State Priority 5: School attendance rates, chronic absenteeism rates, middle school dropout rates, high school dropout rates, and high school graduation rates. Covered in Dropout & Graduation Rates, including the Dropout chart; and Graduation Requirements, including the Graduation Rate chart for high schools only.

School Climate – State Priority 6: Pupil suspension rates, pupil expulsion rates, other local measures including surveys of pupils, and parents and teachers on the sense of safety and school connectedness. Covered in Discipline & Climate for Learning, including Suspension & Expulsion chart; and School Site Safety Plan.

Conditions of Learning (Course Access) – State Priority 7: Pupil enrollment in a broad course of study that includes all of the subject areas. Not covered in the School Accountability Report Card.

Other Pupil Outcomes – State Priority 8: Pupil outcomes in the subject areas. Covered in Physical Fitness, including the Physical Fitness Test chart.

Student Achievement California Assessment of Student Performance and Progress

The California Assessment of Student Performance and Progress (CAASPP) System includes the Smarter Balanced Summative Assessments (SBAC) for students in the general education population, and the California Alternate Assessments (CAAs) for students with the most significant cognitive disabilities. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternative achievement standards, which are linked with the Common Core State Standards (CCSS). CAASPP results are a measure of how well students are mastering California's standards in English language arts/literacy (ELA) and mathematics, and are given to grades three through eight and grade eleven. SBAC tests assess student performance in ELA/Literacy and mathematics utilizing computer-adaptive tests and performance tasks, and CAAs test items are aligned with alternative achievement standards which are linked with the Common Core State Standards (CCSS).

The CAASPP results shown in this report include overall results comparing the school, district and state scores as well as the school's overall score in each applicable subgroup. Results are shown only for subgroups with ten students or more taking the exam. For those categories that are blank in the tables, no students met subgroup criteria. More information on CAASPP can be found on the California Department of Education's website www.cde.ca.gov/ta/tg/ca/.

Physical Fitness

In the spring of each year, Victoria Groves Elementary School is required by the state to administer a physical fitness test to all students in grade five. The physical fitness test (PFT) for students in California schools is the FITNESSGRAM. The main goal of the test is to help students in starting life-long habits of regular physical activity.

The FITNESSGRAM has six parts, though California currently requires five parts be completed annually, that show a level of fitness that offer a degree of defense against diseases that come from inactivity. The test results can be used by students, teachers, and parents. Comparative District and state results can be found at the CDE's web site www.cde.ca.gov/ta/tg/pf.

5	100%	100%	100%	100%	99%
<i>Note: The administration of the PFT requires only participation results for these five fitness areas. To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.</i>					

Parent Involvement

Parents are encouraged to get involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group, or simply attending school events.

Parents stay informed on upcoming events and school activities through automated telephone messages, email, the school marquee, school newsletters, the school website, teacher newsletters, PTA Activities, Facebook, Instagram, "X", and teacher websites. Contact the school office at (909) 484-5070 for more information on how to become involved in your child's learning environment.

School Facilities & Maintenance

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Victoria Groves Elementary School's original facilities were built in 1991; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority. In the last 12 months, the following improvements have been completed:

2024-25 Campus Improvements:

- Front office renovation
- Health room paint and flooring

2024-25 Planned Campus Improvements:

- Basketball pads pole
- Siding repairs

Every morning before school begins, the custodian inspects facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. One day custodian and two evening custodians are assigned to Victoria Groves Elementary School. The day custodian is responsible for:

- Classroom cleaning
- Cafeteria setup/cleanup
- Groundskeeping
- Restroom cleaning
- Securing perimeter gates

Restrooms are checked throughout the day for cleanliness and subsequently cleaned as needed. The evening custodian responsibilities:

- Classroom cleaning
- Office area cleaning
- Restroom cleaning

The principal communicates with custodial staff daily concerning maintenance and school safety issues.

School Site Safety Plan

The Comprehensive School Site Safety Plan was developed for Victoria Groves Elementary School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most recent school safety plan was reviewed, updated, and discussed with school staff in January 2026.

Campus Supervision

School administration and teaching staff place a high priority on providing adequate adult supervision on campus before, during, and after school. As students arrive on campus each morning, the principal and teachers are strategically assigned to designated entrance areas. During recess, proctors supervise playground activity. Administrators and proctors monitor lunch time activity in the cafeteria and on the playground. At the end of the day when students are dismissed, administrators, proctors, and teachers monitor student behavior to ensure a safe and orderly departure.

Victoria Groves Elementary School is a closed campus. All visitors must sign in at the school's office with a valid state issued identification to be scanned through the Raptor security system and wear identification stickers while on school grounds.

Facilities Inspection

The district's maintenance department inspects Victoria Groves Elementary School on an annual basis in accordance with Education Code §17592.72(c)(1). Victoria Groves Elementary School uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on Friday, July 25, 2025. Deficiencies noted in the school inspection survey were corrected immediately by the district's maintenance department. During fiscal year 2025-26, all restrooms were fully functional and available for student use at the time of the inspection.

Classroom Environment

Discipline & Climate for Learning

Victoria Groves Elementary School's discipline practices and behavior management strategies comply with approved board policies and are designed to create effective learning environments and minimize classroom disruptions. Progressive discipline and proactive measures are employed in the classroom for those students experiencing difficulty following school rules and demonstrating positive behavior. Disciplinary intervention is managed by school administrators in a fair, firm, and consistent manner utilizing core components of PBIS based upon the nature of each situation.

Curriculum & Instruction

Staff Development

All training and curriculum development activities at Victoria Groves Elementary School revolve around the California State Content Standards and Frameworks. During the 2024-25 school year, Victoria Groves Elementary School held staff development training devoted to:

- Teacher Induction Program
- Google Training
- Thinking Maps
- Positive Behavioral Interventions & Supports (PBIS)
- EMRS Training
- Reading Intervention
- Social Emotional Learning (SEL)
- i-Ready
- Data Analysis
- Thinking Classrooms
- Orton Gillingham
- John Hattie Instructional Strategies

Decisions concerning selection of staff development activities are performed by the principal using tools such as teacher input and data analysis to determine the areas in which additional teacher training may enhance classroom instruction and increase student achievement levels. Victoria Groves Elementary School supports ongoing professional growth throughout the year during staff meetings. Teachers meet in grade level teams to conduct data analysis to identify areas of need. Teaching staff are provided the opportunity to participate in district-sponsored staff development workshops or training sessions as 1) a supplement to site-based staff development, 2) for reinforcement of or follow-up on previous training, or 3) follow-up training for newly implemented programs/curricula.

During the 2023-24, 2024-25, and 2025-26 school years, Victoria Groves Elementary School's teachers had the opportunity to attend the following events hosted by the Alta Loma School District:

2023-24 Training:

- Savvas Publisher Training
- i-Ready Training
- TK Publisher Adoption Training
- Amplify Refresh
- Study Sync Training
- Safety Training
- DBQ Training
- ALSD Teacher University
- Thinking Maps (Supplemental Offering)
- Write from the Beginning (Supplemental Offering)

2024-25 Training:

- Orton Gillingham, Science of Reading
- Differentiation
- Learning Without Tears (TK Curriculum)
- Study Sync
- Character Strong
- DBQ Training
- SBCSS - Improving Student Math Achievement
- ALSD Learning Symposium
- Thinking Maps (Supplemental Offering)
- Write from the Beginning (Supplemental Offering)
- PBIS, SEL, MTSS, Differentiated Practice (Supplemental Offering)

2025-26 Training:

- SBCSS Early Learning
- Amira Reading Difficulty Risk (RDR) Training
- SBCSS Math
- Amplify Science

Alta Loma Elementary School District also offered teachers supplemental professional development training during the 2025-26 school year on the following topics:

- Science of Reading
- Learning Without Tears
- Multi-Tiered System of Supports (MTSS)
- Positive Behavioral Interventions & Supports (PBIS)
- Improving Student Math Achievement
- Footsteps to Brilliance
- Connecting Globally World Languages (Dual Immersion)
- Thinking Maps • Write from the Beginning
- DBQ Training
- Study Sync
- Science of Reading

Victoria Groves Elementary School offers support to new and veteran teachers through peer coaching and mentoring. Instructional aides are provided targeted training focused on teaching strategies and curriculum content. Substitute teachers are invited to participate in designated staff development activities. All staff are encouraged to attend professional workshops and conferences. Classified support staff receive job-related training from department supervisors and district representatives.

Instructional Materials

All textbooks used in the core curriculum at Victoria Groves Elementary School are aligned to the California Content Standards and Frameworks. Instructional materials are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education with the exception of the TK materials which are from the most recent local adoption. The district follows the State Board of Education's eight-year adoption cycle for core content materials (English/language arts, math, science, and social science).

On Wednesday, September 10, 2025, the Alta Loma School District's Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution #09-10-25(a) which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, and (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts.

In addition to core subject areas, districts are required to disclose in their SARC's the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2025-26 school year, Alta Loma School District provided each student, including English learners, enrolled in a visual/performing arts class with a textbook or instructional materials to use in class and to take home. These materials complied with the state's content standards and curriculum frameworks.

Professional Staff

Counseling & Support Staff

Victoria Groves Elementary School provides professional, highly qualified staff that provide additional services and support centered on the whole student academically, physically, and mentally. The Counseling and Support Services table in this report illustrates the availability of non-instructional support staff to Victoria Groves Elementary School's students. Full-time equivalent (FTE) is a standard measurement used to identify an employee's regular work load on a weekly basis. For example, an FTE of 1.0 designates a full-time position and the employee is on campus and available all day every day of the week; an FTE of 0.5 indicates that the staff member is available and on campus a portion (50%) of the week.

Teacher Assignment

The charts below identify the number of teachers at Victoria Groves Elementary School, Alta Loma School District and the State who are 1) fully credentialed; 2) intern credential holders who are properly assigned; 3) teachers without credentials and misassignments; and 4) credentialed teachers who are assigned out-of-field under ESSA.

The charts also report Victoria Groves Elementary School information related to 1) the number of teachers on permits and waivers; 2) the number misassigned; 3) the number of vacant positions; 4) the number of credentialed teachers authorized on a permit or waiver; 5) the number of local assignment options; 6) the percent of misassignments for English Learners; and 7) the percent with no credential, permit or authorization to teach.

SARC Data

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about Victoria Groves Elementary School and comparisons of the school to the district and the county. DataQuest is a dynamic system that provides reports for school accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/reflects> California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation and the ability to print documents.

Disclosure

The statistical information disclosed in this report is obtained from the California Department of Education and the Alta Loma School District. At the time of publication, this report met all SARC-related state and federal requirements, using the most current data available. Data to prepare the instructional materials sections was acquired in October 2025 and school facilities sections was acquired in August 2025.
