

READY TO LAUNCH!

2025 STARward STEM Expo

Celebrating student innovation and STEM education in Cumberland County

The STARward STEM Expo is the culminating event for the STARward STEM Design Challenge that will include student presentations of project-based learning work, demonstrations by STEM industry experts, and the announcement of the winning student design challenge experiments to be launched to the International Space Station in 2025. The event is open to students, families, educators, and other supporters of STEM education in the Cumberland County region.

Please join us for food, fun, and door prizes!

Contact Ashley Konopko at akonopko@rti.org for more information.
