

Gray's Creek Middle School

2026–2027

To help families prepare for the upcoming school year, we are providing a general supply list of items that all students will need regardless of grade level or team assignment.

Please note that individual teachers may have additional or specific supply requests based on the needs of their subject. These classroom-specific supply lists will be shared during Open House and/or by your child's teachers at the beginning of the school year.

By providing a general list now, our goal is to help families avoid purchasing large quantities of supplies that may not be needed by their child's specific teachers or team.
