Classroom Library Restriction Request

Student Name: _____ Student ID #: _____

School: _____ Grade/Subject: _____

Teacher: _____ Class Period: _____

North Carolina House Bill 805 (2025) requires that parents and guardians have the ability to restrict their own child's access to specific "library books." This includes books held in both the school library and classroom libraries.

By completing this form, you may identify any book(s) in your student's classroom library that you do not wish for your child to borrow. Please note: A separate form must be completed for each individual teacher's classroom library from which you wish to restrict your student's access.

Books to Be Restricted

Please list the specific title(s) you do not wish your child to borrow from the classroom library:

1. _____
2. _____
3. _____

(Attach additional pages if necessary.)

Parent/Guardian Acknowledgment

- I understand this restriction applies **only to my child** and does not affect the availability of the listed book(s) to other students.
- I understand that it is my responsibility to review the classroom library catalog and identify titles I wish to restrict.
- I may revise or remove these restrictions at any time by submitting an updated form.
