SENIOR INFO:

Formal Portraits – Jack Britt High School has partnered with a new company, CADY, for senior portraits. Since senior year is a busy time, we strongly encourage students to schedule their session during the summer. For families who prefer not to travel to the CADY studio in Raleigh, CADY will host several "Roadshow" sessions in the Jack Britt small gym on the following dates:

** July 23 ** September 24 ** October 28 ** November 19 **

To schedule your senior portrait session, please visit cady.com/schedule. The September, October, and November appointment dates will become available for booking closer to those months. A yearbook only photo session will be scheduled at the school at a later date. Please note: Yearbook portraits **must** be taken through CADY, as they submit the official yearbook images directly to the school. All you need to do is schedule and attend your session!

Baby Pictures – Seniors have a section in the yearbook to show off their baby picture. There is no charge to Seniors for this section. Submit pictures NO LATER THAN **Friday, October 23rd** to Mrs. Newsom in A102 or email copy to jbseniorbabypictures@gmail.com. Write first and last name on the back if submitting to A102. Pictures will be returned.

Senior ad information will be emailed in September/October! Make sure that parent/guardian email info is updated in PowerSchool!!!

Senior Ad Parent Design Nights – Parents may work with a staff designer in room A102 to create a yearbook ad from 4:15 – 6:00 pm on:

- **Wednesday, October 7th**
- **Thursday, November 19th**

Can't attend Design Night? You can design your own Senior Ad at www.yearbookforever.com starting August 19th!

There's a limited amount of space for senior ads, so don't wait until the last minute to order!

North Carolina Operation Lifesaver is strongly encouraging high schools to ask that no photos be published of students posing on or near railroad tracks. This action is not only illegal, but can prove deadly. Jack Britt High School is supporting this. These types of photos will NOT be published in our yearbook.

We will also not publish any photos that display weapons or any inappropriate material.

Senior Ad Deadline – The last day to submit and pay for a senior ad is ***Friday, November 20th*** or until sold out. Ads must be **paid in full**, and NO senior ads will be accepted after this date.

Please note that the submission of a baby picture or the ordering of a senior ad does not confirm the order of a yearbook!

** Please remember that the Yearbook operates on rigid printing deadlines which forces us to allow NO EXCEPTIONS to the above dates. We cannot accept anything after the posted due dates!
